

Bac

Theatre

The new theatre majors offer an exciting range of learning options and career pathways. They allow students to develop skills in their main areas of practice or discipline, and augments with a secondary specialisation that maximises career opportunity.

Career opportunities

Collaborativ

Career opportunities

Career opportunities are available in broadcast production houses and studios that specialise in training and development programs, and with organisations that assist in scripting, production and postproduction of materials used in teaching resources within primary schools and middle schools throughout Australia.

* Courses subject to change as new courses become available at Springfield campus

Program aims

The Bachelor of Applied Media is designed to foster interaction between multidisciplinary developers, educators and the media industry in understanding, and contributing to, the rapid evolution of media broadcast products. It aims to produce graduates who are equipped to identify, analyse and produce media related product in both private and public sectors. This program aims to produce a graduate of high academic and professional standard who is capable of successfully competing for employment in a relevant profession and pursuing career development in this discipline or other related areas. The Bachelor of Applied Media seeks to develop critical, articulate, creative students by offering a range of majors and minor studies in disciplines that meet industry demand.

Program objectives

On successful completion of the program, students should be able to:

- demonstrate strong communication skills
- understand the concepts, processes and procedures relevant to media related industries
- identify and evaluate the environments within which media is conducted
- identify information needs appropriate to their studies and apply the techniques required to gather and impart such information
- identify, analyse and solve problems in several public and private areas of media by selecting and using appropriate media applications
- apply methods, concepts and theories to the creation of media projects
- evaluate the outcomes of media projects
- act within the ethos of professional media practice
- have knowledge of at least one associated discipline.

Admission requirements

Admission to the Bachelor of Applied Media is in accordance with University admission guidelines for undergraduate programs. Please refer to Academic Regulation 5.4.2, Section 1 (for Australian students) and

International students

This program is offered to international students. An international student is a person who is not an Australian or New Zealand citizen and not an Australian permanent resident. Please refer to [USQ International](#) for information about entry requirements, visa arrangements and how to apply.

Program fees

Commonwealth supported place

A Commonwealth supported place is where the Australian Government makes a contribution towards the cost of your higher education and you as a student pay a [student contribution amount](#), which varies depending on the courses undertaken. You are able to calculate the fees for a particular course via the [Course Fee Finder](#). Commonwealth Supported students may be eligible to [dationatak](#)

Minor studies

Students may take the minor studies path instead of the Specialisation Major. Option Studies are designed to enable students to widen their knowledge and perspectives across a range of disciplines. The purpose of the minor study sequence is to provide the student with the opportunity to bring skills and knowledge from a broader range of disciplinary approaches to underpin their applied media practice and careers. Courses must be taken over two levels. If a minor/Option study path is preferred, the student is required to choose two of the minor sequences as a substitute for the major from:

- the list of courses available on the Springfield campus below; or
- another minor studied externally from Toowoomba campus.

Communication and Media Studies minor

Please note that courses are subject to change as new courses become available at Springfield campus.

| Course | Semester/Mode of Offer |
