## Program focus

This degree prepares students to teach in secondary, senior and middle school contexts in Queen8 618.103 15352 553.84 T

- have a strong sense of self and place in the world

## Program fees

### Commonwealth supported place

A Commonwealth supported place is where the Australian Government makes a contribution towards the cost of your higher education and you as a student pay a [student contribution amount](#), which varies depending on the courses undertaken. You are able to calculate the fees for a particular course via the [Course Fee Finder](#). Commonwealth Supported students may be eligible to defer their fees through a Government loan called [HECS-HELP](#).

### Domestic full fee paying place

Domestic full fee paying places are funded entirely through the full fees paid by the student. Full fees vary depending on the courses that are taken. You are able to calculate the fees for a particular course via the [Course Fee Finder](#).

Permanent Humanitarian Visa holders, Permanent Resident visa holders and New Zealand citizens who reside outside Australia pay full tuition fees.

Domestic full fee paying students may be eligible to defer their fees through a Government loan called [FEE-HELP](#).

### International full fee paying place

International students pay full fees. Full fees vary depending on the courses that are taken and whether they are studied on-campus, via distance education/online. You are able to calculate the fees for a particular course via the [Course Fee Finder](#).

## Program structure

**To be awarded a four-year Bachelors degree in the Faculty of Education, students must have normally completed 32 units of credit at undergraduate levels 1-4. The Bachelor of Education (Senior and Middle Schooling) is a 32 unit program, comprised of 14 content studies units and 18 professional education units.**

**Note:** Minimum enrolment numbers apply to all courses. Should enrolments not meet the minimum number required, students may be transferred to a different mode or offering and advised of this change prior to semester start.

### Professional experience

All students must complete 110 days professional experience of which a minimum of 80 days must be supervised. The organisation and sequencing of professional experience will vary within the program due to the different nature of some designated majors. This is indicated by the different enrolment patterns incorporated in the program structure.

### Duration

Four years full-time equivalent study (ONC), up to a maximum duration of 9 years.

### Mode of Delivery

On-campus (ONC).

NOTES:

Some majors may be available via external mode

Some majors are only av

the Commission conducting a criminal history check as the key element of the process of determining suitability. All applications for a suitability notice must be made at the local campus of the university at the commencement of their program. Pre-service teachers who do not make application, or who do apply but are subsequently deemed **unsuitable**, will not be able to undertake the professional experience components of the program.

Further information, including a list of serious offences which could lead to a pre-service teacher being deemed unsuitable, are available from the Commission's website at <http://www.ccypcg.qld.gov.au/employment/>

**Bachelor of Education (Senior and Middle Schooling)**

## **Recommended enrolment pattern for students in Industrial Technology and Design major**

Students wishing to undertake this major **must** possess a vocational qualification and industry experience such that they meet the minimum requirements for delivery of vocational courses in registered training organisations.

Students should not deviate from this pattern without first discussing it with the Program Administration Office or the Program Coordinator.

**Note:** Minimum enrolment numbers apply to all courses. Should enrolments not meet the minimum number required, students may be transferred to a different mode or offering and advised of this change prior to semester start.
