Program focus

This degree prepares students for the nursing profession as a Re

practice, overseas nursing. This program is a pathway to graduate entry Midwifery and Mental Health programs and other specialties within nursing and health care.

IELTS test of 6.5 or higher with no subset of less than 6.0 or have successfully completed the [University's ELICOS/EAP programs](#).

- recommended study in one of Biological Science, Chemistry, Physics or Multi-strand Science or equivalent and recommended study in Mathematics.

Candidates for admission to this program must satisfy the normal USQ entry requirements for undergraduate programs. Please refer to [Section 2.2 of the Admissions Policy](#), Section 2.2.1 (for Australian students) and Section 2.2.3 (for international students).

Students who do not believe they satisfy the above requirements for admission are encouraged to consider the [alternate pathways](#) to entry to USQ programs.

Fkafdbkl rp Pqrabkqp

USQ strongly encourages applications from Aboriginal and Torres Strait Islander students. Indigenous students interested in a career in nursing should contact the Indigenous coordinator in the nursing department at indigenousnursing@usq.edu.au for information on guidance and support and to discuss entry pathways.

Bkalopba Bkoliiba Kropbp

Endorsed Enrolled Nurses applying for exemptions must supply documentation including a certified copy of their Diploma of Nursing and a certified copy of their current Enrolment licence from the Australian Health Practitioners Regulation Agency (AHPRA).

Enrolled nurses who are completing their qualification at TAFE should contact cenrolq@usq.edu.au for advice on direct articulation pathways from TAFE.

Progression into clinical courses is dependent upon a pass grade in theoretical and other clinical courses which have been set as pre-requisites.

Prior to signing up for Clinical: It is a requirement of the University of Southern Queensland and Queensland Health that all students must have evidence of Hepatitis B immunisation and a current CPR certificate. Students must be willing to submit a signed Queensland Health Check list and [deed polls](#).

All students are required to apply for and obtain a [Blue Card](#) through the Queensland Government and a Police Check. Full uniform including appropriate work shoes is mandatory and must be supplied by the student.

IT requirements

Students should visit the USQ [minimum computing standards](#) to check that their computers are capable of running the appropriate software and versions of Internet web browsers and to check the minimum and recommended standards for software.

Exemptions

Enrolled Nurses: Enrolled Nurses with a Diploma of Nursing from a TAFE institute or equivalent may apply to be awarded exemptions from the program up to a total of eight units of courses (two standard semesters). Enrolled nurses and Endorsed Enrolled Nurses should contact cenrolq@usq.edu.au for advice on direct articulation pathways from TAFE and possible exemptions. Exemptions must comply with the university regulations from [Section 5.5.5](#).

Transfer Students: Students who wish to transfer components of other accredited Bachelor of Nursing programs and students with prior university credit should contact cenrolq@usq.edu.au to apply for possible exemptions. Exemptions must comply the University regulations from [Section 5.5.5](#).

Some credit may be granted for appropriate qualifications in Indigenous Health. USQ provides extensive support for Indigenous Nursing Students.

International students who have a Registered Nurse qualification from approved Overseas education institutions may apply for exemptions in the program. Please refer to USQ International for information about how to apply.

Enrolment

>`bibo^qba mo l dohppf l k

Students may schedule their courses to complete the program in six consecutive semesters (two years total).
xt

for a total of 840 hours of clinical practice at arranged clinical facilities off-campus and satisfactory completion of the course requirements.

Students interested in studying with the accelerated progression are required to apply for entry in the Bachelor of Nursing first. Admittance to this mode of study is a second stage of application through the Faculty of Sciences. There is an enrolment cap in the accelerated offering; numbers are limited and conditions apply.

Footnotes

- * 0.5 credit point course.
- ^ Full clinical 4 weeks facilitated
- # Quotas exist for clinical courses. Enrolment in S3 clinical courses is on a first-come, first-served basis only and preference is given to students finishing with the Accelerated Progression
