Admission requirements

Applicants with the following qualifications may be accepted into the program:

to be eligible for admission to this program, applicants must have a three-year degree from an Australian
or other recognized university or equivalent.

International Applicants

International applicants must have met the University's English language requirements or have completed the University's ELICOS/EAP programs .

How to apply

Domestic students

Application for postgraduate programs may be made directly to USQ.

International students

This program is offered to international students. An international student is a person who is not an Australian or New Zealand citizen and not an Australian permanent resident. Please refer to USQ International for information about entry requirements, visa arrangements and how to apply.

Program fees

Commonwealth supported place

A Commonwealth supported place is where the Australian Government makes a contribution towards the cost of your higher education and you as a student pay a student contribution amount, which varies depending on the courses undertaken. You are able to calculate the fees for a particular course via the Course Fee Finder. Commonwealth Supported students may be eligible to defer their fees through a Government loan called HECS-HELP.

Domestic full fee paying place

Domestic full fee paying places are funded entirely through the full fees paid by the student. Full fees vary depending on the courses that are taken. You are able to calculate the fees for a particular course via the Course Fee Finder.

Permanent Humanitarian Visa holders, Permanent Resident visa holders and New Zealand citizens who reside outside Australia pay full tuition fees.

Domestic full fee paying students may be eligible to defer their fees through a Government loan called FEE-HELP.

International full fee paying place

International students pay full fees. Full fees vary depending on the courses that are taken and whether they are studied on-campus, via distance education/online. You are able to calculate the fees for a particular course via the Course Fee Finder.

Program structure

The program requires the completion of four of the listed courses. All courses are available in external mode and the mandatory core course for all students to complete within the GCCA Graduate Certificate in Climate Adaptation is CLI3302. At least two of the other courses need to come from USQ which are the climate change and adaptation courses listed below. A fourth course can be selected from (b) or (c) with a natural resource management sustainability focus from either ANU via cross-institutional enrolment or alternatively from USQ.

(a) Mandatory Core Course

CLI3302 Adaptation to Climate Change
