Admission requirements

To be considered for entry, applicants must be graduates holding a minimum of a three-year Bachelor of Biomedical Science or Bachelor of Science degree in an appropriate area of study from an Australian university with a GPA of 5.0 or equivalent. USQ graduates from the Bachelor of Biomedical Science should consult the Program Coordinator as some variation to the Recommended Enrolment Pattern may be required.

International Applicants

International applicants must have also met the [University's English language](#) requirements or have completed the [University's ELICOS/EAP programs](#) .

Program fees

Commonwealth supported place

A Commonwealth supported place is where the Australian Government makes a contribution towards the cost of your higher education and you as a student pay a [student contribution amount](#), which varies depending on the courses undertaken. You are able to calculate the fees for a particular course via the [Course Fee Finder](#). Commonwealth Supported students may be eligible to defer their fees through a Government loan called [HECS-HELP](#).

Domestic full fee paying place

Domestic full fee paying places are funded entirely through the full fees paid by the student. Full fees vary depending on the courses that are taken. You are able to calculate the fees for a particular course via the [Course Fee Finder](#).

Permanent Humanitarian Visa holders, Permanent Resident visa holders and New Zealand citizens who reside outside Australia pay full tuition fees.

Domestic full fee paying students may be eligible to defer their fees through a Government loan called [FEE-HELP](#).

International full fee paying place

International students pay full fees. Full fees vary depending on the courses that are taken and whether they are studied on-campus, via distance education/online. You are able to calculate the fees for a particular course via the [Course Fee Finder](#).

Program structure

The Master of Biomedical Science is comprised of eight units of coursework study. Students must successfully complete a minimum of four level 8 courses. The program may be undertaken on a full-time or part-time basis. Intakes are in March and July of each year (Contact the Program Coordinator for more information). The program is offered in on-campus (ONC) mode only.

Courses offered are:

Semester 1 Courses	Semester 2 Courses
Core Courses	Core Courses
BIO8102	BIO8105 Cardiovascular Science
BIO8103	BIO8104 Special Study in Biomedical Science+
BIO3313 Human Ph	Elective 1

Recommended Enrolment P

Consult the Handbook on the Web at <http://www.usq.edu.au/handbook/current> for any updates that may occur during the year.
