Domestic full fee paying students may be eligible to defer their fees through a Government loan called [FEE-HELP](#).

**International full fee paying place**

International students pay full fees. Full fees vary depending on the courses that are taken and whether they are studied on-campus, via distance education/online. You are able to calculate the fees for a particular course via the [Course Fee Finder](#).

**Program structure**

The program is designed for full-time attendance in the on-campus mode. The program contains 16 units of study comprising of eight units of coursework, practicums worth four units and a four-unit thesis. Once the first 8 courses have been passed (full time) there may be some flexibility to negotiate a part time enrolment pattern for the remaining courses.
