Core courses

All students are required to complete all the following core courses. The purpose of these courses is to expose business students to fundamental concepts and methods and the diversity of subject matter that they will encounter in their studies. The functional areas of business are identified and elementary tools leading to a focus in the major areas of Accounting, Sustainable Business, and Business Administration.

MAT1001 Business Mathematics Fundamentals	For current year offerings, please refer to course specification website

Footnotes

^ Offered in odd-numbered years.

* Jointly badged course USQ/City University of Seattle (CityU), USA - students can enrol directly with the CityU to undertake this course in years not offered at USQ. If a course is undertaken directly with CityU rather than USQ it will not be covered under the Australian Higher Education Contribution Scheme (HECS) or international USQ course fee scheme. As such, the full costs of direct course enrolment with CityU will be the sole responsibility of individual students choosing this option.

‡ Offered in even-numbered years.

IT requirements

For information technology requirements please refer to the minimum computing standards.

Recommended enrolment pattern - Springfield and Toowoomba external (semester 1 odd-numbered years commencement)
