Admission requirements

Candidates for entry into the Master of Information Systems must meet one of the following criteria to the satisfaction of the Director of Coursework Studies:

- hold a bachelor's degree or a 3-year diploma from an Australian university or hold a degree of a recognised university or an approved equivalent qualification in an area other than computing **and** have introductory knowledge of computing consistent with that found in the [CIS1000 Information Systems Concepts](#) course, or
- have successfully completed the equivalent of a [Graduate Certificate in Business](#) or [Graduate Diploma of Business](#) (Information Systems) **and** have introductory knowledge of computing consistent with that found in the [CIS1000 Information Systems Concepts](#) course.

International applicants must have met the [University's English language requirements](#) or have completed the [University's ELICOS/EAP programs](#).

How to apply

Domestic students

[Application for postgraduate programs](#) may be made directly to USQ.

International students

This program is offered to international students. An international student is a person who is not an Australian or New Zealand citizen and not an Australian permanent resident. Please refer to [USQ International](#) for information about entry requirements, visa arrangements and how to apply.

Program fees

Domestic full fee paying place

Domestic full fee paying places are funded entirely through the full fees paid by the student. Full fees vary depending on the courses that are taken. You are able to calculate the fees for a particular course via the [Course Fee Finder](#).

Domestic full fee paying students may be eligible to defer their fees through a Government loan called [FEE-HELP](#) provided they meet the residency and citizenship requirements.

Australian citizens, Permanent Humanitarian Visa holders, Permanent Resident visa holders and New Zealand citizens who will be resident outside Australia for the duration of their program pay full tuition fees and are not eligible for [FEE-Help](#).

International full fee paying place

International students pay full fees. Full fees vary depending on the courses that are taken and whether they are studied on-campus, via distance education/online. You are able to calculate the fees for a particular course via the [Course Fee Finder](#).

Exemptions

As the Master of Information Systems is a graduate conversion program, exemptions approved in the program do not automatically apply to other postgraduate programs offered by the USQ Faculty of Business and Law.

Up to a total of 6 exemptions may be granted for the 12-course Master of Information Systems.

Exemptions may be granted on the basis of completed equivalent postgraduate study from a recognised university or on the basis of relevant completed undergraduate study. However, the maximum number of exemptions which may be granted on the basis of relevant completed undergraduate study will be 4 courses.

Recommended enrolment pattern

Please refer to the program structure. Students requiring assistance should contact the Senior Administration Officer (Student Support).
