Contact us

- demonstrate knowledge of the theoretical structure of project management as defined by the Project Management Body of Knowledge
- demonstrate essential skills in relation to identification and analysis of logistics management, and integrate logistics management into the overall operation of the organisation
- apply the theoretical principles of project management to a project environment in relation to project:
 - scheduling and time management
 - cost management
 - quality management
 - human resources management
 - communications management
 - risk management
 - procurement management
 - integration management
 - scope management
- apply management skills acquired through elective courses in the context of project management.

Admission requirements

Candidates for entry into the Master of Project Management must:

- hold at least a 3-year tertiary qualification at bachelor degree or equivalent level from a recognised institution in an appropriate discipline as determined by the Director of Coursework Studies
- have a minimum of 2 years full-time equivalent relevant work experience as determined by the Director of Coursework Studies.

Candidates who do not have a degree will be permitted to enrol in the [Postgraduate Certificate in Business \(Project Management\)](#), provided that they have a minimum of 3 years full-time equivalent work experience, which includes relevant experience, as determined by the Director of Coursework Studies. Upon completion and achievement of a minimum GPA of 4.0, they will be eligible to articulate into the Master of Project Management.

International candidates for admission into this program must meet the University's English language proficiency requirements for postgraduate students. Please refer to Section 2.2.3 of the [Admissions Policy](#) .

How to apply

Domestic students

[Application for postgraduate programs](#) may be made directly to USQ.

International students

This program is offered to international students. An international student is a person who is not an Australian or New Zealand citizen and not an Australian permanent resident. Please refer to [USQ International](#) for information about entry requirements, visa arrangements and how to apply.

Program fees

Domestic full fee paying place

Domestic full fee paying places are funded entirely through the full fees paid by the student. Full fees vary depending on the courses that are taken. You are able to calculate the fees for a particular course via the [Course Fee Finder](#).

Domestic full fee paying students may be eligible to defer their fees through a Government loan called [FEE-HELP](#) provided they meet the residency and citizenship requirements.

Australian citizens, Permanent Humanitarian Visa holders, Permanent Resident visa holders and New Zealand citizens who will be resident outside Australia for the duration of their program pay full tuition fees and are not eligible for [FEE-Help](#).

International full fee paying place

International students pay full fees. Full fees vary depending on the courses that are taken and whether they are studied on-campus, via distance education/online. You are able to calculate the fees for a particular course via the [Course Fee Finder](#).

Program structure

The Master of Project Management has two strands: Project Management and Complex Project Management. Each is comprised of 8 single-unit courses as follows:

Strand 1: Project Management

The Project Management strand consists of:

- a choice of 4 core from 5 courses
- 1 specialisation or 4 elective courses.

Articulation

On completion of the Master of Project Management, students may apply for entry into the [Master of Business Administration](#) program. The number of courses to be completed to satisfy the requirements to graduate from the Master of Business Administration will depend on the courses completed in the Master of Project Management. Students wishing to consider this option should discuss their choice of courses with the Director of Coursework Studies.

It is possible for students who do not meet standard admission requirements to articulate into the Master of Project Management from the [Postgraduate Certificate in Business](#) provided they have achieved a GPA of at least 4.0.

Students who wish to articulate to the higher award must lodge an application for entry to the relevant program.

Exit points

Students who do not complete the Master of Project Management, but who satisfy all 047 Tm(Exit points)Tj-0.189 Tw/F1
