Major studies

A major study is a set of courses that make up a coherent, in-depth study of a specific discipline.

Students completing the Bachelor of Business and Bachelor of Information Technology must complete one major from the [Bachelor of Business](#) plus one major from the [Bachelor of Information Technology](#).*

* Students taking the [Applied Computing](#) major must take [CSC2406 Web Technology](#) and [CSC3600 ICT Professional Project](#) as part of their electives.

Minor Studies

A minor study is a coherent group of 4 units of courses that provides students with an appropriate breadth of study in their program. Students who wish to take a minor study not listed in the recommended minors must obtain permission from the Faculty of Business, Education, Law and Arts. Before undertaking any course, the pre-requisite courses must be completed or exempted.

Please note:

When students select a minor(s), courses will only count towards that minor(s) if they have not already counted towards another selected major or minor.

Not all minors are available on-campus at all campuses.

Students may choose courses from those listed in the [Minor Studies](#) section of this Handbook. Enrolment requirements must be satisfied for any course selected.

Elective courses

Students may select either a 4-unit minor study or 4 elective courses from courses offered at undergraduate level within Business and Commerce undergraduate programs or, with the approval of the Faculty of Business, Education, Law and Arts, from other undergraduate programs offered by the University of Southern Queensland.

Exit points

Students must maintain good standing in this program (see Other program requirements section). Students not wishing to complete the Bachelor of Business and Bachelor of Information Technology program may be permitted to exit with one of the following: or
