2	3.0
3	3.5
4	4.0
5	4.5

Students completing Level 5 who wish to continue their English language studies for entry to degree and postgraduate degree programs may undertake the [EAPP English for Academic Purposes](#).

In general, students would study 10 weeks at one level before attempting to progress to the next level.

Students can study in ELICOS up to 52 weeks depending on their level of proficiency at entry and would enrol through the [International Office](#). Courses of less than 10 weeks duration are to be negotiated directly with the ELICOS Program Office.

## Program completion requirements

Students are required to pass each ELICOS level. Individual course specification detail the requirements for a passing grade at each level.

Students studying on a Student Visa must meet visa requirements in terms of attendance and academic progress. The attendance requirement is based on 25 hours of scheduled classes per week.

## Recommended enrolment pattern

Students are able to enrol in any offered mode of a course (on-campus, distance education or online), regardless of the program mode of study they enrolled in.
