Program structure

The Diploma of Arts comprises eight units of study, generally requiring completion of eight courses, one of which is a core course. The remaining seven units of courses come from USQ course offerings. While students may choose any seven courses, it is recommended that study is chosen from three discipline areas unless students plan to complete seven units from a major study in a single discipline area. The Diploma of Arts may articulate into other USQ undergraduate degree programs. Students are advised to contact the relevant Faculty to discuss their course choices to ensure optimal articulation pathways. In particular, courses can be chosen from the following discipline areas.

Notes:

Note that courses at Fraser Coast are limited.

It is also possible to use the remaining seven units of study to contribute towards an Arts major (majors consists of 8 units), e.g. History, Language, etc., but because of the possible pre-requisites, this will normally mean completing this sequence of courses in part-time mode across more than one year of study.

Recommended enrolment pattern - Springfield

Students should enrol in a minimum of 4 units of a course (on-campus, external or online), regardless of the program mode of study they enrolled in.
