Graduate Certificate of Spatial Science Technology (GCST) - GradCertSpScTech

CRICOS code (International applicants): 066078K

	On-campus#^	Distance education				
Semester intake:	Semester 1 (February) Semester 2 (July)	Semester 1 (February) Semester 2 (July)				
Campus:	Toowoomba	-				
Fees:	Commonwealth supported place Domestic full fee paying place International full fee paying place	Commonwealth supported place Domestic full fee paying place International full fee paying place				
Standard duration:	1 semester full-time or 2 semesters part-time or by distance learning					
Program articulation:	To: Graduate Diploma of Spatial Science Technology; Master of Spatial Science Technology					

Footnotes

The Graduate Certificate of Spatial Science Technology (Geographic Information Systems) is available full-time on-campus in Semester 1. The Graduate Certificate of Spatial Science Technology (Surveying) is not available full-time on-campus and therefore is not available for international on-campus students.

^ The Graduate Certificate of Spatial Science Technology is not available full-time on-campus in Semester 2.

Students who successfully complete the Graduate Certificate of Spatial Science Technology specialising in Surveying will be able to demonstrate:

- a capacity for the analysis, evaluation and synthesis of surveying related systems
- enhanced technical skills in surveying technology
- an awareness of the current surveying practices and methods
- a professional standard of communication.

Admission requirements

To be eligible for admission to the program candidates must possess a three or four-year undergraduate degree, or equivalent, in a discipline approved by the Faculty of Health, Engineering and Sciences. Overseas candidates must possess a degree in an approved discipline recognised by the National Office of Overseas Skills Recognition (NOOSR) as awarding degrees that are comparable to the education level of an Australian bachelor degree. Candidates for admission must have demonstrated a high level of academic performance.

Domestic and International Applicants from a non-English speaking background are required to satisfy English language requirements.

If you do not meet the English language requirements you may apply to study a University-approved English language program. On successful completion of the English language program, Applicants may be admitted to an Award Program.

Program fees

Commonwealth supported place

A Commonwealth supported place is where the Australian Government makes a contribution towards the cost of your higher education and you as a student pay a student contribution amount, which varies depending on the courses undertaken. You are able to calculate the fees for a particular course via the Course Fee Finder. Commonwealth Supported students may be eligible to defer their fees through a Government loan called HECS-HELP.

Domestic full fee paying place

Domestic full fee paying places are funded entirely through the full fees paid by the student. Full fees vary depending on the courses that are taken. You are able to calculate the fees for a particular course via the Course Fee Finder.

Domestic full fee paying students may be eligible to defer their fees through a Government loan called FEE-HELP provided they meet the residency and citizenship requirements.

Australian citizens, Permanent Humanitarian Visa holders, Permanent Resident visa holders and New Zealand citizens who will be resident outside Australia for the duration of their program pay full tuition fees and are not eligible for FEE-Help.

International full fee paying place

International students pay full fees. Full fees vary depending on the courses that are taken and whether they are studied on-campus, via distance education/online. You are able to calculate the fees for a particular course via the Course Fee Finder.

Program structure

The Graduate Certificate of Spatial Science Technology consists of four units. The maximum time forj0 G0 g1 0 0 1 173.

Major study: Geographic Information Systems (Major Study Code: 12613)							
Course Year of program and semester in which course is normally studied					Enrolment requirements
