Students who have completed the Graduate Diploma of Business are not eligible to enter the [Master of Business Administration](#) or [Master of Project Management \(ends 2015\)](#) until they satisfy the required minimum of two years' full-time relevant professional work experience in business.

Program objectives

The objectives of the Graduate Diploma of Business are to produce graduates who are able to:

- understand the concepts and essential theories and skills associated with a discipline area or areas related to business
- demonstrate cognitive skills to review, analyse, consolidate and synthesise business knowledge and identify and provide solutions to complex problems
- evaluate and communicate theoretical concepts to transfer business knowledge and ideas to a variety of audiences
- demonstrate advanced business knowledge and skills for professional work and/or further learning.

Australian Qualifications Framework

The Australian Qualifications Framework (AQF) is a single national, comprehensive system of qualifications offered by higher education institutions (including universities), vocational education and training institutions and secondary schools. Each AQF qualification has a set of descriptors which define the type and complexity of knowledge, skills and application of knowledge and skills that a graduate who has been awarded that qualification has attained, and the typical volume of learning associated with that qualifi
