Program aims

The Master of Business Administration - International Business is an advanced academic program designed for graduates from any discipline. It aims to produce graduates who are familiar with contemporary international business management and who can perform effectively in responsible managerial positions.

Program objectives

Upon completion of the Master of Business Administration - International Business students will be able to:

- apply appropriate theories and skills in the international business environment
- demonstrate competence in a range of areas relevant to management practice at senior levels in internationally-focused businesses
- communicate effectively with other people within an organisation
- comprehend, analyse and evaluate internal and external environmental forces, and develop strategy for the management of change.

Admission requirements

Candidates for entry into the Master of Business Administration - International Business must hold a tertiary qualification at bachelor degree or equivalent level from a recognised institution.

Domestic and International Applicants from a non-English speaking background are required to satisfy [English language requirements](#).

If you do not meet the English language requirements you may apply to study a University-approved [English language program](#). On successful completion of the English language program, Applicants may be admitted to an Award Program.

Program fees

Domestic full fee paying place

Domestic full fee paying places are funded entirely through the full fees paid by the student. Full fees vary depending on the courses that are taken. You are able to calculate the fees for a particular course via the
