courses within the Master of Business Research and are not suitable study options for the Graduate Certificate of Business pathway.

On application, students must be able to provide an outline of the research topic they intend to pursue.

Note: Admission to the Master of Business Research is dependent upon the Faculty's capacity to supervise the proposed project. Prospective students should contact the Faculty of Business, Education, Law and Arts for up-to-date information regarding research areas before preparing their project proposals.

Domestic and International Applicants from a non-English speaking background are required to satisfy English language requirements.

If you do not meet the English language requirements you may apply to study a University-approved English

enrolment or 24 months for part-time enrolment. Students may apply for credit in the PhD program based on the MBSR research dissertation units completed.

Credit

Credit will not normally be granted for the Masters Thesis courses. Claims for credit for previous study should be submitted prior to or at the time of enrolment in a program. Each claim will be assessed on individual merit in line with USQ policy. Credit approved in this program will not automatically apply to other programs offered by USQ.

Recommended enrolment pattern

Students are able to enrol in any offered mode of a course (on-campus, external or online), regardless of the program mode of study they enrolled in.

The flexibility of the Master of Business Research program means that there will be a range of enrolment patterns and many students will have a unique enrolment pattern. Students requiring assistance should contact the Faculty of Business, Education, Law and Arts. An example of a recommended enrolment pattern is set out in the table below.

Note: It is recommended that students complete all of RSH8000 Introduction to Research and RSH8001 Research Methods before commencing the Masters Thesis courses.

Full-time students will enrol once in BUS8201 Masters Thesis A (2 units) and twice in BUS8202 Masters Thesis B (4 units) in order to successfully complete 10 units of thesis.

Part-time students will enrol five times in BUS8201 Masters Thesis A (2 units) in order to successfully complete a total of 10 units of thesis.
