Master of Mental Health Nursing (MMHN) - MMHlthNurs

This program is offer

Admission requirements

Applicants meeting the following criteria may be accepted into the program:

- Registered Nurse (**You will need to provide a certified copy of your current registration with Australian Health Practitioner Regulation Agency**) with a three-year degree or diploma from an Australian University or an equivalent qualification
- Evidence of current employment in a mental health service as a registered nurse or of at least 12 months experience working in a mental health service as a registered nurse in the past five years.

Domestic and International Applicants from a non-English speaking background are required to satisfy English language requirements.

If you do not meet the English language requirements you may apply to study a University-approved English language program. On successful completion of the English language program, Applicants may be admitted to an Award Program.

Program fees

Domestic full fee paying place
Domestic full fee paying places are funded entirely through the full fees paid by the student. Full fees vary depending on the courses that are taken. You are able to calculate the fees for a particular course via the Course Fee Finder.
Domestic full fee paying students may be eligible to defer their fees through a Government loan called FEE-HELP provided they meet the residency and citizenship requirements.
Australian citizens, Permanent Humanitarian Visa holders, Permanent Resident visa holders and New Zealand citizens who will be resident outside Australia for the duration of their program pay full tuition fees and are not eligible for FEE-Help.

Program structure

The program consists of eight courses each worth one unit, four focusing specifically on mental health nursing. In the remaining four courses the focus of the assessment will be on mental health nursing.

Required time limits

Students have a maximum of 4 years to complete this program.

Clinical requirements

There are no clinical requirements.

IT requirements

Students should visit the USQ minimum computing standards to check that their computers are capable of running the appropriate software and versions of Internet web browsers and to check the minimum and recommended standards for software.

Residential schools

One course, MHN5130, has a requirement for a five-day compulsory residential school.

Recommended enrolment pattern

Students are able to enrol in an
