Program objectives

Upon completion of the Master of Project Management students will be able to:

- demonstrate knowledge of the theoretical structure of project management as defined by the Project Management Body of Knowledge
- demonstrate essential skills in relation to identification and analysis of sustainability management for projects, and integrate sustainability management across the lifecycle of the project
- apply the theoretical principles of project management to a project environment in relation to a range of project types:
 - scope and requirements management
 - scheduling and time management
 - cost management
 - quality management
 - human resources management
 - communications management
 - risk management
 - procurement management
 - integration management
 - stakeholder management
- demonstrate a comprehension of complex ethical dilemmas for various stakeholders within a project management environment.

Admission requirements

Entry into the Master of Project Management requires a tertiary qualification at bachelor degree or equivalent (AQF level 7) in a project management related discipline from a recognised institution, and two years' full-time relevant professional work experience in business.

For candidates who meet the program work experience requirements but do not hold a bachelor degree or equivalent (AQF level 7) in a project management related discipline, USQ's [Graduate Certificate of Business](#) provides an articulation pathway into the Master of Project Management. Upon completion and achievement of a minimum GPA of 4.0, they will be eligible for entry into the Master of Project Management.

Candidates with a graduate certificate (AQF level 8) or higher qualification in any discipline, with two years' full-time relevant professional work experience in project management may apply for entry into the Master of Project Management. Eligibility for entry will be determined on a case-by-case basis.

Domestic and International Applicants from a non-English speaking background are required to satisfy [English language requirements](#).

If you do not meet the English language requirements you may apply to study a University-approved [English language program](#). On successful completion of the English language program, Applicants may be admitted to an Award Program.

Program fees

Domestic full fee paying place

Domestic full fee paying places are funded entirely through the full fees paid by the student. Full fees vary depending on the courses that are taken. You are able to calculate the fees for a particular course via the [Course Fee Finder](#).

Domestic full fee paying students may be eligible to defer their fees through a Government loan called [FEE-HELP](#) provided they meet the residency and citizenship requirements.

International full fee paying place

International students pay full fees. Full fees vary depending on the courses that are taken and whether they are studied on-campus, via distance education/online. You are able to calculate the fees for a particular course via the [Course Fee Finder](#).

Program structure

The Master of Project Management consists of 12 courses, each of one unit, and has the following structure:

- core (8 courses) – 4 foundation core and 4 non-foundation core courses
- any 4 elective courses selected from the [Master of Business Administration](#) (subject to enrolment requirements) or any 4 courses from across the University with the permission of the Faculty of Business, Education, Law and Arts.

Core courses

The following core courses are required:

Students who wish to articulate to the higher award must lodge an application for entry to the relevant program.

Exit points

Students who do not complete the Master of Project Management, but who satisfy all the requirements of the [Graduate Certificate of Business](#) or the [Graduate Diploma of Business](#) may be permitted to exit with that qualification.

Credit

Credit may be granted on the basis of completed equivalent postgraduate study from a recognised university. In order for credit to be granted, the claim must meet the following specific requirements:

- the course was passed within 5 years prior to the application (courses up to 10 years old may be considered if evidence is provided that the applicant has been employed in that field)
- the course passed is sufficiently equivalent in objectives, content and weightings to a course prescribed in the Master of Project Management, or alternatively, the course is suitable as an elective
