If you do not meet the English language requirements you may apply to study a University-approved [English language program](#). On successful completion of the English language program, you may be admitted to an award program.

Program fees

Commonwealth supported place

A Commonwealth supported place is where the Australian Government makes a contribution towards the cost

Major studies

Arts Studies

The Arts component shall comprise:

- an eight-unit discipline based major from the majors available under the [Bachelor of Arts](#)
 - a four-unit discipline based minor from the [Bachelor of Arts](#)
- Or**
- one 12-unit extended major from the majors available under the [Bachelor of Arts](#).

(At least two units from each major must be at third year level)

Science Studies

The Science component shall comprise:

Either:

- an eight-unit discipline based major chosen from the majors under the [Bachelor of Science](#) (i.e. Biology, Computing, Environment and Sustainability, Human Physiology, Mathematics, Physical Sciences, Wine Science). (Note: the Mathematics major requires students to have achieved a level of Sound Achievement over four semesters in Queensland Senior (Year 12) Mathematics B or equivalent).
 - a four-unit study selected from one Science discipline. This four-unit study may or may not be in the same discipline as the eight-unit Science major
 - One Science elective approved by the Faculty of Health, Engineering and Sciences.
- Or**
-

- Students will normally start the Arts major in Semester 1 of first year and continue it in Semester 2 of first year. The Arts minor is usually started in Semester 1 of second year.
- The Science major is usually started in Semester 1 of first year and continued in Semester 2 of first year. The Science minor study is usually started in second year subject to timetabling constraints.
- Elective courses are usually taken in third or fourth years unless required as pre-requisites.
