

# Master of Project Management and Master of Business Administration (ends 2014) (MBAP) - MPM and MBA

CRICOS code (International applicants): 067690D

This program is offered only to continuing students. No new admissions will be accepted. Students who are interested in this study area should consider the [Master of Project Management and Master of Business Administration](#), which will be offered from semester 1, 2015.

	On-campus	External
<b>Semester intake:</b>	No new admissions	No new admissions
	Springfield-	-

- demonstrate underlying knowledge of the theoretical structure of project management as defined by the Project Management Body of Knowledge
- demonstrate essential skills in relation to identification and analysis of logistics management, and integrate logistics management into the overall operation of the organisation
- apply the theoretical principles of project management to a project environment in relation to project:
  - scheduling and time management
  - cost management
  - quality management
  - human resources management
  - communications management
  - risk management
  - procurement management
  - integration management
  - scope management
- apply management skills acquired through elective courses in the context of project management.

The Master of Business Administration will enhance student analytical skills related to management, people, markets, finance, and technical knowledge. Graduates will be able to solve complex organisational problems and be able to manage change through the mastery of particular skills related to creativity, information literacy, and self-reflection. The program focuses on how to demonstrate leadership in global sustainability and how to understand the nature of ethical decisions across contemporary business practice. The MBA program will enable graduates to work in virtual and non-traditional work environments and increase personal mastery in oral and written communication.

The objectives of the program are to produce graduates who are able to:

- demonstrate understanding of the basic theories and skills of modern management discipline areas
- display competence in a wide range of areas relevant to management practice at senior levels
- apply their knowledge of current behavioural, policy and strategic issues so as to improve organisational efficiency
- use well-developed communication skills to interact effectively with other people at a superior and lower work level
- comprehend, analyse and evaluate internal and external environmental forces, and develop strategic plans for the management of change
- demonstrate a thorough understanding of the relevant political, cultural and business environments, and of ethical standards in modern business
- analyse developments in a chosen area of management, and to critically evaluate the relationships between such de

Candidates who have a degree but do not have a minimum of three years' full-time relevant professional work experience will be permitted to enrol in the [Postgraduate Certificate of Business](#) (Early Career) only. Upon completion and achievement of a minimum GPA of 4.0, they will be eligible for entry into the double-degree program.

All students are required to satisfy the applicable [English language requirements](#).

If you do not meet the English language requirements you may apply to study a University-approved [English language program](#). On successful completion of the English language program, you may be admitted to an award program.

## Program fees

### Domestic full fee paying place

Domestic full fee paying places are funded entirely through the full fees paid by the student. Full fees vary depending on the courses that are taken. You are able to calculate the fees for a particular course via the [Course Fee Finder](#).

Domestic full fee paying students may be eligible to defer their fees through a Government loan called [FEE-HELP](#) provided they meet the residency and citizenship requirements.

Australian citizens, Permanent Humanitarian Visa holders, Permanent Resident visa holders and New Zealand citizens who will be resident outside Australia for the duration of their program pay full tuition fees and are not eligible for [FEE-Help](#).

### International full fee paying place

International students pay full fees. Full fees vary depending on the courses that are taken and whether they are studied on-campus, via distance education/online. You are able to calculate the fees for a particular course via the [Course Fee Finder](#).

## Program structure

The Master of Project Management and Master of Business Administration double degree is made up of 14 courses:

- 8 [Master of Business Administration](#) core courses
- 3 [Master of Project Management \(ends 2014\)](#) core courses
- the capstone course [MGT8002 Strategic Management](#)
- 2 elective courses.

### Core courses

Students must complete the following core courses:

## Credit

A double degree is required to meet the requirements of each degree studied with a maximum of 50% units of credit for each program studied individually.

This double degree meets the requirements of the eight-unit [Master of Project Management \(ends 2014\)](#) and the 12-unit [Master of Business Administration](#). The two programs together require the completion of 20 units, including the possibility of up to 10 units of credit with up to four units of credit from the [Master of Project Management \(ends 2014\)](#) and six from the [Master of Business Administration](#). The structure of this double degree, has been designed to include the cross allocation of six units of credit leaving students the possibility of a further four units of credit.

Credit may be granted on the basis of completed equivalent postgraduate or undergraduate study from a recognised university. In order for credit to be granted, the claim must meet the following specific requirements:

- the course was passed within five years prior to the application (courses up to 10 years old may be considered if evidence is provided that the applicant has been employed in that field)
- the course passed is equivalent in objectives, content and weightings to a course prescribed in the [Master of Business Administration](#) program, or alternatively, the course is suitable as an elective
- the maximum granted is no greater than six units of credit for the [Master of Business Administration](#)
- the maximum granted is no greater than four units of credit for the [Master of Project Management \(ends 2014\)](#)
- credit approved in this program will not automatically apply 1 2.7y 0 0 1 59.528 the gre7f1 455.164 52836371 528.1
