Program aims

The focus of this program is to provide a high-level, vocation-oriented program for students who already have a business degree. The graduate will have sufficient theoretical and empirical understanding to enable them to identify and resolve business challenges in their professions.

Program objectives

On successful completion of the Master of Management program, students will be able to:

- demonstrate an understanding of the basic theories and skills of a contemporary management discipline area
- display competence in areas relevant to management practice at senior levels
- apply their knowledge of current behavioural, policy and strategic issues in order to improve organisational efficiency
- use written communication skills to interact effectively with other people at superior or lower work levels
- analyse developments in a chosen area of management and critically evaluate relationships between such developments and contemporary theory and practice
- further enhance their managerial skills through a commitment to ongoing managerial development
- specialise in a particular discipline to enhance their career prospects.

Admission requirements

Candidates for the Master of Management program must meet each of the following criteria:

- a tertiary, Business qualification at degree or equivalent level from a recognised institution as deemed sufficient and appropriate on application
- 2 years' full-time work experience as deemed sufficient and appropriate on application.

Candidates who do not have a degree will be permitted to enrol in the [Postgraduate Certificate of Business](#) only, provided that they have a minimum of five years full-time equivalent work experience, which includes relevant experience as deemed sufficient and appropriate on application. Upon completion and achievement of a minimum GPA of 4.0, they will be eligible to articulate into the Master of Management.

All students are required to satisfy the applicable [English language requirements](#).

Safety, Health and Environment

- A student who successfully completes all requirements for the [Postgraduate Certificate of Business](#) may upon application, exit with that qualification. A student who has successfully completed all the requirements of a 4-unit specialisation may have that specialisation shown on their testamur.

Credit

Candidates for admission to the Master of Management may be eligible for a maximum of six units of credit on the basis of prior successful completion of relevant, equivalent postgraduate study from a recognised university or institution offering equivalent study. In order for credit to be granted, the claim must meet the following specific requirements:

- the course passed was taken at least at Masters or equivalent level
-
