Program aims

The general aims of this program are to:

- provide graduates with an advanced understanding of contemporary management, marketing and leadership concepts, trends, theories and practices
- provide graduates with a set of tools in order to conceptualise problems and develop solutions to management issues
- assist graduates in clarifying their managerial career aspirations and to instil confidence in graduates to progress their career aspirations to the best of their capabilities
- respond to and meet the demands of public and private sector organizations for management, marketing and leadership talents.

Program objectives

On successful completion of the Master of Management, students will be able to:

- demonstrate advanced understanding of the key theories and practices of managing for sustainability
- display competence in areas relevant to management and marketing practice at middle to senior levels
- apply their knowledge of current behavioural, policy and strategic issues in order to improve organisational efficiency and sustainability
- use written communication skills to interact effectively with other people at all work levels
- analyse developments in a chosen area of management, marketing or leadership and critically evaluate relationships between such developments and contemporary theory and practice
- demonstrate a commitment to ongoing managerial development.

Admission requirements

Several pathways are available in order to be admitted into the Master of Management:

- a bachelor degree or equivalent level in the broad areas of management, marketing or leadership
- candidates who have an undergraduate degree or equivalent which does not meet the requirement outlined above must successfully complete the following two courses prior to enrolling in the Master of Management:

- MGT5000 Managing Organisational Behaviour
- MKT5000 Mark

Exit points

A student who chooses not to complete or who does not maintain good standing in this program may be permitted to exit with a [Postgraduate Certificate of Business](#) provided that they have successfully met the requirements of that program.

Credit

Candidates for admission to the Master of Management may be eligible for a maximum of four units of credit on the basis of prior successful completion of relevant, equivalent postgraduate study from a recognised university or institution offering equivalent study. In order for a credit to be granted, the claim must meet the following specific requirements:

- the course passed was taken at least at Masters or equivalent level
- the course was passed within five years prior to the application (courses up to 10 years old may be considered if evidence is provided that the applicant has been employed in that field)
- the course passed is equivalent in objectives, content and weightings to a course prescribed in the Master of Management course, or alternatively, the course is suitable as an elective.

Claims for credit should be submitted prior to or at the time of enrolment in a course. Each claim will be assessed on individual merit in line with USQ policy. Credit approved in this program will not automatically apply to other programs offered by USQ.

Note: Where credit is granted, maximum and minimum duration will be adjusted in the same proportion as credit, for example, where six units of credit is granted, maximum time will be three years and minimum duration will be two semesters.
