Master of Project Management (ends 2014) (MPRM) - MPM

CRICOS code (International applicants): 055824E

The 8–unit Master of Project Management (MPRM) will accept no new admissions from Semester 1, 2015. This program will be replaced with the new 12–unit MPJM Master of Project Management (ends 2015) **from Semester 1, 2015.**

	On-campus	External

    - human resources management
    - communications management
    - risk management
    - procurement management
    - integration management
    - scope management
- apply management skills acquired through elective courses in the context of project management.

Admission requirements

Candidates for entry into the Master of Project Management must:

- hold at least a three-year tertiary qualification at bachelor degree or equivalent level from a recognised institution in an appropriate discipline as deemed sufficient and appropriate on application
- have a minimum of two years' full-time equivalent relevant work experience as deemed sufficient and appropriate on application.

Candidates who do not have a degree will be permitted to enrol in the Postgraduate Certificate of Business (Project Management), provided that they have a minimum of 3 years' full-time equivalent work experience, which includes relevant experience as deemed sufficient and appropriate on application. Upon completion and achievement of a minimum GPA of 4.0, they will be eligible to articulate into the Master of Project Management.

All students are required to satisfy the applicable English language requirements.

If you do not meet the English language requirements you may apply to study a University-approved English language program. On successful completion of the English language program, you may be admitted to an award program.

Program fees

Domestic full fee paying place

Domestic full fee paying places are funded entirely through the full fees paid by the student. Full fees vary depending on the courses that are taken. You are able to calculate the fees for a particular course via the Course Fee Finder.

Domestic full fee paying students may be eligible to defer their fees through a Government loan called FEE-HELP provided they meet the residency and citizenship requirements.

Australian citizens, Permanent Humanitarian Visa holders, Permanent Resident visa holders and New Zealand citizens who will be resident outside Australia for the duration of their program pay full tuition fees and are not eligible for FEE-Help.

International full fee paying place

International students pay full fees. Full fees vary depending on the courses that are taken and whether they are studied on-campus, via distance education/online. You are able to calculate the fees for a particular course via the Course Fee Finder.

Program structure

The Master of Project Management has two strands: Project Management and Complex Project Management.
