Footnotes

First year core courses are offered in on-campus mode only (to enhance professional development, employability and University engagement), as detailed in the recommended enrolment pattern for both majors.

* Students will be required to obtain approval from the program coordinator (Bachelor of Aviation) before enrolling in elective courses.

Major studies

All students in the Bachelor of Aviation must select one major study. A major study is a set of courses that make up a coherent, in-depth study of a specific discipline.

Aviation Management major

AVN3109 International Aviation Law	2	2
------------------------------------	---	---

Flight Operations major

While this is not an admission requirement to the program, students planning to undertake the Flight Operations major will have to hold a Class 1 Medical Certificate issued by the [Civil Aviation Safety Authority](#), as this is one of the regulatory requirements to hold a Commercial Pilot Licence. In addition, students in the Flight Operations major are expected to complete recognised pilot aptitude assessment and interview prior to being allowed to undertake the Flight Operations major. Appropriate advice will be provided to students during their first academic year.

Course	Semester of offer Distance/Online	Semester of offer Springfield campus
External Flight Training	1, 2	
AVN3101 Advanced Human Factors in Aviation	1	1
AVN3102 Safety Management Systems	1	1
AVN3103 Supervised Aviation Research Project (Part 1)	1	1
AVN3105 Contemporary Issues in Aviation	2	2
AVN3107 Supervised Aviation Research Project (Part 2)	2	2
AVN3108 Multi Crew Cooperation	2	2

Electives/Approved courses

Students will be required to obtain approval from the Bachelor of Aviation Program Coordinator before enrolling in elective courses.

Students in the Flight Operations major can enrol in two elective courses. Students will be required to obtain approval from the Bachelor of Aviation Program Coordinator before enrolling in elective courses.

IT requirements

For information technology requirements please refer to the [minimum computing standards](#).

Other program requirements

Students must maintain good standing in this program. Please refer to the [Academic Standing, Progression and Exclusion Procedure](#).

While this is not an admission requirement to the program, students planning to undertake the Flight Operations major will have to hold a Class 1 Medical Certificate issued by the [Civil A](#)

Students may exit with the Associate Degree of Aviation (ADAV) if they have completed 16 first and second year courses as follows:

- Core courses
- Courses from the Aviation Management major or the Flight Operations major.

Credit

Candidates for admission to the Bachelor of Aviation may be eligible for up to 16 units of credit on the basis of successful completion of relevant, equivalent undergraduate study from a recognised university or institution offering equivalent study.

For applicable VET registered diplomas (or equivalent), the University will grant eight units of block credit for the second year of the Bachelor of Aviation (Flight Operations major):

The applicable VET registered diplomas are:

- 0215 – Diploma in Aviation (Commercial Pilot Licence – Aeroplane)#
- 0315 – Diploma in Aviation (Commercial Pilot Licence – Helicopter)#

Applicants with Military and/or International equivalents to these qualifications will be considered on an individual basis.

From January 2017, the Federal Government replaced the VET FEE-HELP Scheme with the VET Student Loan scheme. The Diploma of Aviation - required for Bachelor of Aviation (Flight Operations major) - offered by qualified Flight Schools is recognised for the new scheme. A VET Student loans [fact sheet](#) from the government can provide the latest information. If needed please [contact USQ](#) or discuss directly with your proposed aviation registered training organisation (Flight School).

Credit approved in this program will not automatically apply to other programs offered by USQ.

Claim for credit for previous study should be submitted prior to or at the time of enrolment. Each claim will be assessed on individual merit in line with USQ policy.

Where credit is granted, maximum and minimum duration will be adjusted in the same proportion as credit granted.

Employment

A Commercial Pilot Licence (CPL) is a minimum licensing requirement, some employers may require other ratings such as an Instrument Rating or a Flight Instructor Rating in addition to the CPL.

Recommended enrolment patterns

Consult the program structure information to plan their enrolment making sure that they have fulfilled all core, major and elective requirements. All requirements must be satisfied before enrolling in a course.

As a guide, full-time students should enrol in 6 courses per year and part-time students, who are enrolled in 3 courses per year, a maximum of 6 courses per year. A maximum of 4 courses per year is exclusive of any semester 3 enrolments.
