Professional accreditation

The [Bachelor of Information T](#)

and secondary schools. Each AQF qualification has a set of descriptors which define the type and complexity of knowledge, skills and application of knowledge and skills that a graduate who has been awarded that qualification has attained, and the typical volume of learning associated with that qualification type.

This program is at AQF Qualification Level 07. Graduates at this level will have broad and coherent knowledge and skills for professional work and/or further learning.

The full set of levels criteria and qualification type descriptors can be found by visiting www.aqf.edu.au.

Program Information Set

View USQ's admission criteria, student profiles and a summary of all offers made under [Course Admission Information Set](#) via the QTAC website.

Admission requirements

To be eligible for admission, applicants must satisfy the following requirements:

- Have achieved a minimum Overall Position (OP) **16**, tertiary entrance rank **64** or equivalent qualification.[^]
- English Language Proficiency requirements for Category 2.

Applicants for admission to the Bachelor of Business and Commerce and Bachelor of Information Technology double degree must satisfy the requirements for admission to the [Bachelor of Business and Commerce](#) and the [Bachelor of Information Technology](#).

All students are required to satisfy the applicable [English language requirements](#).

If students do not meet the English language requirements they may apply to study a University-approved [English language program](#). On successful completion of the English language program, students may be admitted to an award program.

[^] These are determined by the University for specific programs each Semester. The 2017 OP and tertiary entrance ranks are based on agreed QTAC schedules which assess formal study at Year 12 or [equivalent level](#), tertiary, preparatory, professional or vocational qualifications or work experience, as detailed in the QTAC Assessment of Qualifications Manual and QTAC Assessor Guidelines.

Bonus ranks may help you get into the program of your choice by increasing your OP/Rank. The bonus ranks don't apply to all applicants or all programs. Please read the information on USQ's [Admissions bonus scheme](#) carefully to find out what you may be eligible for.

Program fees

Commonwealth supported place

A Commonwealth supported place is where the Australian Government makormation Setcations Man2 236coj0 0 1 rg0 0ts

Australian citizens, Permanent Humanitarian Visa holders, Permanent Resident of New Zealand and citizens who will be resident outside Australia for the duration of their program and are not eligible for [FEE-Help](#).

International full fee paying place

International students pay full fees. Full fees vary depending on the courses that they are studying on-campus, via distance education/online. Students are able to calculate their fee for a particular course via the [Course Fee Finder](#).

Program structure

The Bachelor of Business and Commerce and Bachelor of Information Technology are double degrees comprising single-unit courses made up of:

- a core of 12 courses (see below)
- 1 major from the [Bachelor of Business and Commerce](#)
- 1 major from the [Bachelor of Information Technology](#)*
- either a minor or 4 electives.

*excluding the Marketing and Hospitality Management major and Tourism and Events Management major. Students taking the Applied Computer Science major or Networking and Security major must take MA1000 Mathematics for Computing, CSC2406 Web Technology 1 and CSC3600 ICT Professional Project as part of their electives.

Program completion requirements

In order to graduate with the Bachelor of Business and Commerce and Bachelor of Information Technology double degree, students must complete (or be awarded credit for prior learning) the courses listed above.

For each year of study is awarded, a student must complete at least 8 courses from the [Bachelor of Business and Commerce](#) majors and at least 8 courses from the [Bachelor of Information Technology](#) majors. Students with the Bachelor of Business and Commerce and Bachelor of Information Technology must complete this program.

Students with the Bachelor of Business and Commerce and Bachelor of Information Technology must complete the Applied Computer Science major or Networking and Security major and at least 4 courses from the [Bachelor of Information Technology](#) majors and at least 4 courses from the [Bachelor of Business and Commerce](#) majors. Students must also complete their electives.

Other program requirements

Students must maintain good standing in this program. Please refer to the [Academic Standing, Progression and Exclusion Procedure](#).

Students enrolled in the joint TAFE/USQ Diploma programs must complete their Diploma studies at TAFE Queensland before continuing enrolment at USQ.

Articulation

Graduates of accredited Australian Training Packages (Diplomas and Advanced Diplomas) have access to established articulation pathways.

Exit points

Students not wishing to complete the Bachelor of Business and Commerce and the Bachelor of Information Technology double degree may be permitted to exit with a single underlying award. Students may be permitted to exit with the [Bachelor of Business and Commerce](#) or, the [Bachelor of Information Technology](#) or, any corresponding exit point award provided they have met all of the individual requirements of the respective program.

Credit

Candidates for admission to the Bachelor of Business and Commerce and Bachelor of Information Technology double degree may be eligible for up to 16 units of credit on the basis of successful completion of relevant, equivalent undergraduate study from a recognised university or institution offering equivalent study. Credit approved in this program will not automatically apply to other programs offered by USQ.

Claims for credit for previous study should be submitted prior to or at the time of enrolment. Each claim will be assessed on individual merit in line with USQ policy.

Note: Where credit is granted, maximum and minimum duration will be adjusted in the same proportion as credit, for example, where eight units of credit is granted, maximum time will be six years and minimum time will be four semesters.

Recommended enrolment patterns

Students are able to enrol in any offered mode of a course (on-campus, external or online), regardless of the program mode of study they enrolled in.

Given the program structure information, students should plan their enrolment making sure that they have fulfilled all core, major, minor and elective requirements. Enrolment requirements must be satisfied before enrolling in a course.

As a guide, full-time students should plan to undertake 8 courses per year and online students, who are in employment, a maximum of 6 courses per year, with a minimum of 4 courses per year. This is exclusive of any semester 3 enrolments. .

Courses are normally offered on-campus and online in the same semester. If a course is offered twice in one year, the second offering will normally be an online offer only. Students undertaking the Bachelor of Business and Commerce and Bachelor of Information Technology may not enrol in any postgraduate courses.

Recommended enrolment pattern

Students are able to enrol in any offered mode of a course (on-campus, external or online), regardless of the program mode of study they enrolled in.
