Program aims

The Master of Business Administration - International Business is an advanced academic program designed for graduates from any discipline. It aims to produce graduates who are familiar with contemporary international business management and who can perform effectively in responsible managerial positions.

Program objectives

Upon completion of the Master of Business Administration - International Business students will be able to:

- apply appropriate theories and skills in the international business environment
- demonstrate competence in a range of areas relevant to management practice at senior levels in internationally-focused businesses
- communicate effectively with other people within an organisation
- comprehend, analyse and evaluate internal and external environmental forces, and develop strategy for the management of change.

Admission requirements

To be eligible for admission, applicants must satisfy the following requirements:

Candidates for entry into the Master of Business Administration - International Business must hold a tertiary qualification at bachelor degree or equivalent level from a recognised institution.

All students are required to satisfy the applicable [English language requirements](#).

If students do not meet the English language requirements they may apply to study a University-approved [English language program](#). On successful completion of the English language program, students may be admitted to an award program.

Program fees

Domestic full fee paying place

Domestic full fee paying places are funded entirely through the full fees paid by the student. Full fees v
