

Master of Nursing . (MNRN) - MN

This program is offered only to continuing students. No new admissions will be accepted. Students who are interested in this study area should consider the [Master of Nursing](#) .

Registered Nurses who wish to gain entry to the program on the basis of equivalent experience or qualifications or who have not studied an appropriate research methods course may be required to complete the course [NUR2300 Evidence Based Nursing Practice](#) before being admitted to the program. This course is available

- [HSC8050 Research Methodology for the Human Sciences](#)
 - [NUR8340 The Law and Health Care Practice](#)
 - [ANP8003 Management in Health Care Practice](#) Note: If you have already completed NUR8510 The Reflective Practitioner and Theorist, there is no change to your enrolment pattern. If you are yet to complete NUR8510, you are to enrol in ANP8003 as a core course instead. If you have not completed NUR8510 and have already completed ANP8003 as an elective, you are to choose another elective (total two (2), excluding ANP8003).
 - [NUR8550 Professional Studies 1](#)
 - [HEA8302 Culture as a Determinant of Health](#)
- (3) two units shall be for postgraduate (Level 5 or 8) courses, approved by the Faculty of Health, Engineering and Sciences or selected from the list below.

Required time limits

Students have a maximum of 4 years to complete this program.

Electives/Approved courses

Students may select **two (2)** electives from the following courses, or from the courses mx 277.736 Tj1 0 0 1 15 F68nTm(v)Tj1

universities or the Australian College of Nursing. Students who are granted more than two (2) exemptions are required to take additional Elective courses at USQ to meet the requirement of six (6) units offered at USQ.

Recommended enrolment pattern

Students are able to enrol in any offered mode of a course (on-campus, external or online), regardless of the program mode of study they enrolled in.
