## Professional accreditation

The PDPP has received conditional accreditation by the Australian Psychology Accreditation Council (APAC) as a fifth-year program in psychology. Graduates will be eligible to apply for general registration with the Psychology Board of Australia after a further one year of full-time supervised practice. Graduates will also be able to apply for full membership to the Australian Psychological Society after a period of supervised practice.

## Program aims

The aim of the PDPP is to provide advanced knowledge of the discipline in the core areas of professional practice which comprise the competency standards of the Psychology Board of Australia. On completion of the program graduates will:

- be eligible for general registration as a psychologist once a further one-year of Board approval

### International full fee paying place

International students pay full fees. Full fees vary depending on the courses that are taken and whether they are studied on-campus, via distance education/online. Students are able to calculate the fees for a particular course via the [Course Fee Finder](#).
