Professional accreditation

Graduates of this program will meet the educational entrance requirements of [CPA Australia](#) and [Chartered Accountants Australia and New Zealand \(CAANZ\)](#). This provides Associate membership of CPA Australia, eligibility to study the CPA Australia professional exams and eligibility to study the CAANZ professional exams.

Successful completion of the Accounting major can qualify students for exemptions from the Fundamental level (9 papers) of the [Association of Chartered Certified Accountants \(ACCA\)](#) exams.

Program aims

This program aims to provide students with specific knowledge and skills relevant to the accounting discipline and satisfy the educational entrance requirements for membership of relevant Australian accounting professional bodies. The program also aims to equip students with the knowledge and skills to meet the needs of organisations to strategically manage energy requirements and report their environmental and social impacts on the community. In addition, the program aims to provide students with the necessary broad-based administrative and management skills required by org

- professional practice - identify, analyse, solve problems and communicate outcomes in different decision contexts; satisfy the educational entrance requirement of the relevant Australian accounting professional bodies
- global citizenship - understand and apply the broad-based administrative and management skills required by organisations to compete in the global economic environment
- scholarship - demonstrate an understanding of the principles of accounting, finance, economics and b

International full fee paying place

International students pay full fees. Full fees vary depending on the courses that are taken and whether they are studied on-campus, via distance education/online. Students are able to calculate the fees for a particular course via the [Course Fee Finder](#).
