

Bachelor of Nursing (BNSG) - BN

QTAC code (Australian and New Zealand applicants): Ipswich campus: 936392; External: 906395; Toowoomba campus: 906392

CRICOS code (International applicants): 093153B

Please note that the entry requirements for the Bachelor of Nursing are under review and are subject to change.

All of these standards can be found on the Nursing and Midwifery Board of Australia website: [NMBA Registration Standards](#) .

The Australian Health Practitioner Regulation Agency (AHPRA) will keep a [register of students](#) enrolled in the Bachelor of Nursing for the duration of their study or clinical training. USQ as the education provider will pass on students' details directly to the Nursing and Midwifery Board of Australia (NMBA) for registration. No fees are required.

Program objectives

Graduates of the Bachelor of Nursing will be able to:

- (1) direct their own learning and understand the [NMBA Scope of Practice of Registered Nurses](#) as responsible, reflective lifelong learners
- (2) apply clinical reasoning and clinical management using the nursing process and the best available evidence to provide safe, person-centred nursing care
- (3) demonstrate exemplary communication and interpersonal relationships working and leading intra-professional and interdisciplinary teams
- (4) plan, provide and evaluate comprehensive, safe, appropriate and responsive quality nursing care across multiple contexts and populations that meets NMBA Professional Standards of Practice.

Australian Qualifications Framework

The Australian Qualifications Framework (AQF) is a single national, comprehensive system of qualifications offered by higher education institutions (including universities), vocational education and training institutions and secondary schools. Each

All students are required to satisfy the applicable

Requirements to complete the program

Students are required to satisfactorily complete all courses. Some courses have compulsory attendance requirements for science and simulated clinical laboratory work. To satisfactorily complete the six clinical courses, students must participate in the required hours of clinical practice offered at off-campus venues and satisfactorily demonstrate the learning objectives of these courses.

The Bachelor of Nursing at USQ prepares students for a Bachelor's degree in nursing. Upon completion of the program and application for registration as a nurse, the Australian Health Practitioner Regulation Agency

Footnotes

This course must be completed in the final semester of this program for students on this progression.

Enrolment pattern (BNSG) - Study over 4 years

Semester 1	Semester 2
Year 1	
BIO1203 Human Anatomy and Physiology 1	NUR1201 The Patient Experience: Partnering in Care
