

Master of Nursing .

Registered Nurses who wish to gain entry to the program on the basis of equivalent experience or qualifications or who have not studied an appropriate research methods course may be required to complete the course [NUR2300 Evidence Based Nursing Practice](#) before being admitted to the program. This course is available by external studies through [Continuing Professional Education at USQ](#)- telephone +61 7 4631 2720 or email conted@usq.edu.au.

All students are required to satisfy the applicable [English language requirements](#).

If students do not meet the English language requirements they may apply to study a University-approved [English language program](#). On successful completion of the English language program, students may be admitted to an award program.

Requirements for professional experience placements

There are no clinical requirements in this program unless candidates select electives that contain a clinical requirement. These courses with a clinical requirement are not available for International students.

Program fees

Commonwealth supported place

A Commonwealth supported place is where the Australian Government makes a contribution towards the cost of a students' higher education and students pay a [student contribution amount](#), which varies depending on the courses undertaken. Students are able to calculate the fees for a particular course via the [Course Fee Finder](#).

Commonwealth Supported students may be eligible to defer their fees through a Government loan called [HECS-HELP](#).

Domestic full fee paying place

Domestic full fee paying places are funded entirely through the full fees paid by the student. Full fees vary depending on the courses that are taken. Students are able to calculate the fees for a particular course via the [Course Fee Finder](#).

Domestic full fee paying students may be eligible to defer their fees through a Government loan called [FEE-HELP](#) provided they meet the residency and citizenship requirements.

Australian citizens, Permanent Humanitarian Visa holders, Permanent Resident visa holders and New Zealand citizens who will be resident outside Australia for the duration of their program pay full tuition fees and are not eligible for [FEE-Help](#).

International full fee paying place

International students pay full fees. Full fees vary depending on the courses that are taken and whether they are studied on-campus, via distance education/online. Students are able to calculate the fees for a particular course via the [Course Fee Finder](#).

Program structure

The program contains eight units. There are six compulsory courses of one unit each and two units of electives.

Program completion requirements

The Master of Nursing is currently undergoing review to meet the Australian Qualifications Framework Requirements. The changes will occur for 2014. Please check the USQ Handbook for updates for requirements.

Currently to qualify for the award of Master of Nursing, a candidate must complete or be exempted from courses with a total value of eight units within four years of first admission to the program, subject to the following.

Of the units counted to qualify for the award:

- (1) at least six units shall be for courses completed at USQ
- (2) six units shall be for the courses:

- [NUR8060 Health Policy Analysis and Review](#)
- [HSC8050 Research Methodology for the Human Sciences](#)
- [NUR8340 The Law and Health Care Practice](#)
- [ANP8003 Management in Health Care Practice](#) Note: If you have already completed NUR8510 The Reflective Practitioner and Theorist, there is no change to your enrolment pattern. If you are yet to complete NUR8510, you are to enrol in ANP8003 as a core course instead. If you have not completed NUR8510 and have already completed ANP8003 as an elective, you are to choose another electiv

complete at least six units of exemptions may be granted by the Australian Council of Nursing. Additional exemptions for previous course
