- Sustainable Business

- a named specialisation from other programs offered by USQ* which support the learning outcomes of the program as indicated in the program aims.

*   Subject to the approval of the Program Coordinator.
^   This specialisation will not have the name shown on a testamur.

Notes: Students must successfully complete 8 units of the program before enrolling in either BUS8101 Business Project A (1 unit) or BUS8102 Business Project B (1 unit)} and satisfy any pre-requisites for these courses. Normally these courses should be undertaken in the final semester of study.

Not all specialisations are offered in on-campus mode. Where a specialisation is offered on-campus, it may not be offered in that mode at all campuses.

Required time limits

Students have a maximum of six years to complete this program.

Any other approved* course from across the University subject to meeting any pre-requisite requirements.	1, 2, 3		

Footnotes

*   Approved by the Program Coordinator

Master of Business Administration specialisations (excluding Project Management)

Select a named specialisation from the Master of Business Administration (excluding Project Management) comprising three named courses plus MGT8002 Strategic Management.

- Business Leadership
- Digital Marketing Analytics
- Digital Transformation
- Finance
- General
- Global Business Management
- Strategic Human Resource Management
- Strategic Marketing
- Sustainable Business.

Master of Business and Innovation specialisations

Select a named specialisation from the Master of Business and Innovation comprising four named courses.

- Big Data and Visualisation
- Crisis Management
- Digital Transformation
- Enterprise Leadership
- Finance
- International Business
- Professional Communication
- Sustainable Business.

General specialisation

Select 4 courses from USQ postgraduate courses which support the learning outcomes of the program as indicated in the program aims, one of which must be an 8xxx level course. Students must satisfy any applicable pre-requisite requirements.

To discuss which courses to study within the General specialisation, please contact USQ. All course pre-requisites must be met, and all courses chosen are subject to the approval of the Program Coordinator.

Research specialisation

Students who complete the Research specialisation as part of their program will be eligible to apply for entry to the PhD program subject to achieving a minimum GPA of 5.75 in the four research units and meeting other PhD entry requirements.

Course	Semester of offer Distance/Online	Semester of offer Toowoomba campus	Semester of offer Springfield campus
MBA8000 Applied Business Research and Ethics	1, 2	1	1
MGT8040 Entrepreneurship, Innovation and Creativity	2		
BUS8101 Business Project A	1, 2		
BUS8102 Business Project B	1, 2		

IT requirements

For information technology requirements please refer to the minimum computing standards.

Other program requirements

Students must maintain good standing in this program. Please refer to the Academic Standing, Progression and Exclusion Procedure.

Articulation

The Master of Project Management articulates from the Graduate Certificate of Business and the Graduate Diploma of Business.

On completion of the Master of Project Management with any specialisation with a minimum GPA of 4 for the program, students may apply for entry into the Doctor of Business Administration. The number of courses to be completed to satisfy the requirements to graduate from the Doctor of Business Administration will depend on the courses completed in the Master of Project Management.

Students completing the Master of Project Management with the Research specialisation with a minimum GPA of 5.75 for these 4 units of research study may apply for entry into the Doctor of Philosophy, subject to meeting eligibility requirements of the program. The number of courses to be completed to satisfy the requirements to graduate from the doctoral program will depend on the courses completed in the Master of Project Management.

Students wishing to consider the option to apply for entry into either of the doctoral programs should contact the Faculty of Business, Education, Law and Arts prior to commencing their specialisation.

Students who wish to articulate to the higher award must lodge an application for entry to the relevant program.

Exit points

Students who choose not to complete or who do not maintain good standing in this program will be permitted to exit with a lesser qualification as set out below, provided that they have met the requirements of that program.

- A student who successfully completes four courses in the Master of Project Management may, upon application, exit with the Graduate Certificate of Business. A student who has successfully completed all the requirements of a 4-unit specialisation may have that specialisation shown on their testamur.
- A student who successfully completes eight courses in the Master of Project Management may, upon application, exit with a Graduate Diploma of Business. A student who has successfully completed all the requirements of at least one specialisation may have one specialisation shown on their testamur.

Credit

Credit may be granted on the basis of completed equivalent postgraduate study from a recognised university. In order for credit to be granted, the claim must meet the following specific requirements:

- the course w

Recommended enrolment pattern for part-time study

Students are able to enrol in any offered mode of a course (on-campus, external or online), regardless of the program mode of study they enrolled in.

Students should consider when electives are offered and adjust their enrolment pattern accordingly.
