to their professional practice and workplace challenges, helping to build the capacity and resilience of the student's organisations/communities and contribute to their self-directed learning and career development.

### **Australian Qualifications Framework**

The Australian Qualifications Framework (AQF) is a single national, comprehensive system of qualifications offered by higher education institutions (including universities), v

As part of the enrolment process, students are required to submit proof of citizenship or permanent residency status and transcripts of all previous academic study. This documentation enables the University of Southern

## Required time limits

Students have a maximum of 3 years to complete this program.

## IT requirements

Computer literacy is now expected as part of professional life, and as an integral element in the studying and learning process. Many courses make use of the Internet through online discussion groups and course web pages. Students must have reliable and ready access to e-mail and the internet. Broadband access would be a significant advantage.

Please refer to [computer requirements](#)

Twenty-four hour computer access is available at USQ.

## Exit points

The exit point for students who do not complete the requirements of the Master of Professional Studies (Research) is the [Graduate Certificate of Professional Studies](#). Students will be eligible for this award if, whilst enrolled in the Master of Professional Studies (Research) they have enrolled and successfully completed at least 4 units at USQ.

A student enrolled in the Master of Professional Studies (Research) who wishes to exit without completing the program may, on the basis of outstanding performance, seek to transfer to the [DPRS Doctor of Professional Studies](#) program. To be eligible students will have:

- Completed at least 8 units
- completion of Confirmation of Candidature as applicable to the [DPRS Doctor of Professional Studies](#) program and as per the process applicable to USQ Higher Degree Research (HDR) students (see [Working towards your confirmation of candidature](#))

A transfer will involve an extension of the scope of the existing approved MPSR project. As a result, a recommendation may be made to the University with respect to articulation to the [DPRS Doctor of Professional Studies](#) program with credit being given for the 8 units successfully undertaken within the MPSR.

*Note: A maximum of six units of credit exemption can be given based on an assessment of advanced standing or other qualifying previous study.*
