Applicants must have completed a bachelor degree or equivalent from a recognised institution.

All students are required to satisfy the applicable English language requirements.

If students do not meet the English language requirements they may apply to study a University-approved English language program. On successful completion of the English language program, students may be admitted to an award program.

## **Program fees**

#### Domestic full fee paying place

Domestic full fee paying places are funded entirely through the full fees paid by the student. Full fees vary depending on the courses that are taken. Students are able to calculate the fees for a particular course via the Course Fee Finder.

Domestic full fee paying students may be eligible to defer their fees through a Government loan called FEE-HELP provided they meet the residency and citizenship requirements.

Australian citizens, Permanent Humanitarian Visa holders, Permanent Resident visa holders and New Zealand citizens who will be resident outside Australia for the duration of their program pay full tuition fees and are not eligible for FEE-Help.

#### International full fee paying place

International students pay full fees. Full fees vary depending on the courses that are taken and whether they are studied on-campus, via distance education/online. Students are able to calculate the fees for a particular course via the Course Fee Finder.

### **Program structure**

The PGAL is a 4-unit program. A student must complete four units at postgraduate level (level 5 or level 8), three required units and one elective unit. A minimum of 50% of the program (2 units) must comprise level 8 courses.

### **Required time limits**

Full-time enrolment normally requires one semester of study. Part-time enrolment may take up to two years of study to complete the Program.

### **Electives/Approved courses**

The one elective course will be selected from

Education
LIN8001 Principles of Second Language Learning
LIN8002 Methodology in Teaching a Second Language
LIN8003 Language Program Management
LIN8006 Computer-Assisted Language Learning
LIN8007 Language and Literacy Assessment

**Note:** Minimum enrolment numbers apply to all courses. Should enrolments not meet the minimum number required, students may be transferred to a different mode or offering and advised of this change prior to semester start.

# Articulation

The PGAL articulates into the Master of Applied Linguistics, Master of Education (TESOL).

# Credit

The maximum credit granted will be no more than half of the program units (two units). Within this limit, credit will be granted for relevant studies successfully completed at postgraduate level in the last five years and may be considered for studies successfully completed in the last 10 years. Students intending to apply for credit should follow the guidelines for credit for previous study or work. Within the framework of those regulations, the following points should be given particular consideration:

- Transfer of credit from other incomplete USQ award programs may be permitted where there is similar or appropriate content.
- Normally an accredited Certificate in TESOL from a recognised institution attracts one unit of credit and an accredited Diploma in TESOL attracts two units of credit.
- Completed and assessed professional development modules based on PGAL course materials may attract credit into the program.

Students should contact the Faculty of Business, Education, Law and Arts for advice before applying for credit.

# Enrolment

Students may commence this Program in semesters one, two or three. External students may study either part-time or full-time. On-campus commencement is restricted to semester one. International on-campus students must be enrolled full-time.

## **Recommended enrolment pattern**

Students are able to enrol in any offered mode of a course (on-campus, external or online), regardless of the program mode of study they enrolled in.

It is recommended that the program of study commences with the core course LIN5000.

**Note:** On campus offers are contingent upon sufficient enrolments. Subject to International students' visa requirements, alternative modes of EXT or ONL may be substituted for the discipline course.
