Bachelor of Sport and Exercise Science (BSES) - BSportEx

QTAC code (Australian and New Zealand applicants): Ipswich campus: 936111; External: 906145; Toowoomba campus: 906111

CRICOS code (International applicants): 084354A

Programs at USQ regularly undergo a comprehensive re-accreditation process to assure their relevance and quality. This program is currently being re-accredited and, as a consequence, is likely to undergo some changes. Full details will be made available when it is approved. If you have any questions, please contact us.

	Exterce,is lik

health, exercise, sports and fitness industry such as sports coaches, personal trainers, sports and recreation development officers, exercise physiologists, sports performance directors or a range of other roles.

Program objectives

On completion of the program graduates will be able to:

Special admissions may help you get into the program of your choice by increasing your Selection Rank. The additional points don't apply to all applicants or all programs. Please read the information about USQ's Special Admissions carefully to find out what you may be eligible for.

Requirements for professional experience placements

Practical experience is an integral component of the program and each student is required to undertake and satisfactorily complete 140 hours of practical experience.

Progression into practical courses is dependent upon a pass grade in theoretical and other practical courses which have been set as prerequisites.

Applicants must be willing to undertake and submit the requirements of the University of Southern Queensland for practical placement. Please refer to the applicable Professional Practice Experience Handbook for Bachelor of Sport and Exercise Students.

Program fees

Commonwealth supported place

A Commonwealth supported place is where the Australian Government makes a contribution towards the cost of a students' higher education and students pay a student contribution amount, which varies depending on the courses undertaken. Students are able to calculate the fees for a particular course via the Course Fee Finder.

Commonwealth Supported students may be eligible to defer their fees through a Government loan called HECS-HELP.

Domestic full fee paying place

Domestic full fee paying places are funded entirely through the full fees paid by the student. Full fees vary depending on the courses that are taken. Students are able to calculate the fees for a particular course via the Course Fee Finder.

Domestic full fee paying students may be eligible to defer their fees through a Government loan called FEE-HELP provided they meet the residency and citizenship requirements.

Australian citizens, Permanent Humanitarian Visa holders, Permanent Resident visa holders and New Zealand citizens who will be resident outside Australia for the duration of their program pay full tuition fees and are not eligible for FEE-Help.

International full fee paying place

International students pay full fees. Full fees vary depending on the courses that are taken and whether they are studied on-campus, via distance education/online. Students are able to calculate the fees for a particular course via the Course Fee Finder.

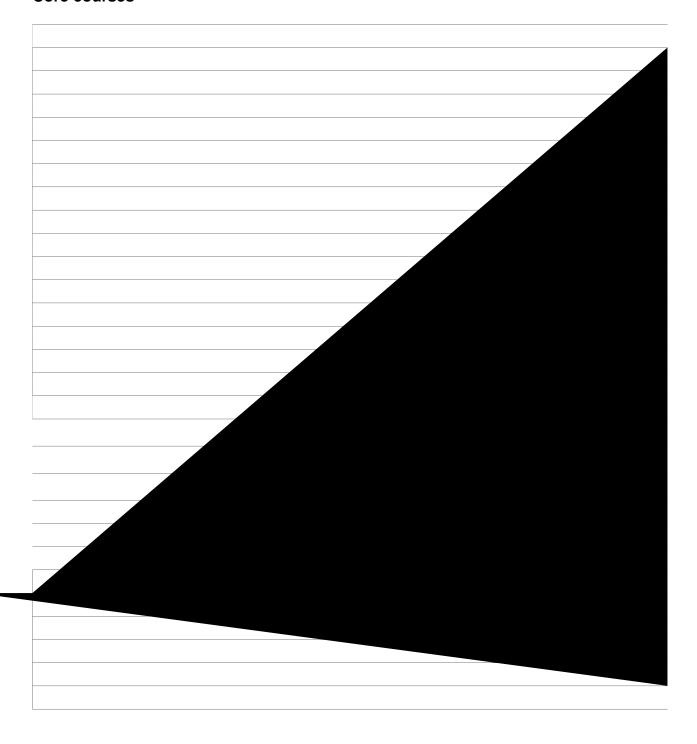

Program structure

This program comprises of 24 units including 8 core courses and one of the following combinations:

- one 8-unit major (Applied Sport and Exercise) and 8 electives; or
- one 16-unit major (Sport and Exercise)[#]
- # This extended major consists of 24 defined courses and no electives.

Consult the Handbook on the Web at http://www.usq.edu.au/handbook/current for any updates that may occur during the year. Bachelor of Sport and Exercise Science (BSES) - BSportEx (2019)

Footnotes

- BIO1203 is available on-campus in Toowoomba and Ipswich. For the Ipswich offer, course lectures are held at Ipswich and course laboratories
- The on-campus offering of this course is only available at the Ipswich campus.

 SES1299, SES2299 and SES3299 add up to complete the 140 hours of professional practice. Please note in regards to HECS these three courses only make up one HECS course not three individual HECS courses. Students must complete the professional placement requirements by the end of each year of study to progress to the next year unless approved otherwise.
- SES1299 and SES3299 placement may occur in S1 and S2. SES2299 placement will only occur S2.
