Enrolment

Students will enrol in the Master of Education on either a full-time or a part-time basis. International on-campus students must be enrolled full-time.

Note: Minimum enrolment numbers apply to all courses. Should enrolments not meet the minimum number required, students may be transferred to a different mode or offering and advised of the change prior to semester start.

Guidance and Counselling specialisation (Online)

Students are able to enrol in any offered mode of a course (on-campus, external or online), regardless of the program mode of study they enrolled in.

Students seeking employment as a guidance officer in Queensland will usually require a four-year degree as a pre-requisite to entering this program. You should check the requirements with your prospective employer prior to enrolling.

This specialisation prepares teachers for work as a guidance officer, guidance counsellor or school counsellor. Students can prepare themselves for a career in developmental guidance work (Primary), Counselling and Career Work (Secondary) or a combination of both (P-12) through the selection of courses in the enrolment pattern below.

The specialisation generally meets the registration criteria for the [Queensland Guidance and Counselling Association](#).

Students from outside Queensland who are intending to use this specialisation for professional accreditation should consult the relevant registration bodies.
