- identify, interpret and evaluate major issues in a range of contemporary business information technology areas
- apply acquired knowledge associated with the studies to work environments
- articulate the principal theories, concepts and applications associated with the selected business information technology area(s)
- understand and act in accordance with the ethics of their profession.

Admission requirements

To be eligible for admission, applicants must satisfy the following requirements:

- hold a bachelor's degree or a three-year diploma from an Australian university or hold a degree of a recognised university or an approved equivalent qualification in an area other than computing **and** have introductory knowledge of computing consistent with that found in the [CIS1000 Information Systems Concepts](#) course, or
- have successfully completed the equivalent of a [Graduate Certificate of Business \(ends S3 2014\)](#) or [Graduate Diploma of Business \(ends S3 2014\)](#) (Information Systems) **and** have introductory knowledge of computing consistent with that found in the [CIS1000 Information Systems Concepts](#) course.

Program fees

Domestic full fee paying place

Domestic full fee paying places are funded entirely through the full fees paid by the student. Full fees vary depending on the courses that are taken. Students are able to calculate the fees for a particular course via the [Course Fee Finder](#).

Domestic full fee paying students may be eligible to defer their fees through a Government loan called [FEE-HELP](#) provided they meet the residency and citizenship requirements.

Australian citizens, Permanent Humanitarian Visa holders, Permanent Resident visa holders and New Zealand citizens who will be resident outside Australia for the duration of their program pay full tuition fees and are not eligible for [FEE-Help](#)

Exit points

A student who chooses not to complete or who does not maintain good standing in this program will be permitted to exit with a lesser qualification as set out below, provided that they have met the requirements of that program.

- A student who successfully completes 4 courses that satisfy the requirements of the [Graduate Certificate of Business \(ends S3 2014\)](#) may, upon application, exit with that qualification.
- A student who successfully completes 8 courses that satisfy the requirements of the [Graduate Diploma of Business \(ends S3 2014\)](#) may, upon application, exit with that qualification.

Credit

As the Master of Information Systems is a graduate conversion program, credit approved in the program does not automatically apply to other postgraduate programs offered by the USQ.

Up to a total of 6 units of credit may be granted for the 12-course Master of Information Systems.

Credit may be granted on the basis of completed equivalent postgraduate study from a recognised university or on the basis of relevant completed undergraduate study. However, the maximum credit which may be granted on the basis of relevant completed undergraduate study will be 4 courses.

Recommended enrolment pattern

Students are able to enrol in any offered mode of a course (on-campus, external or online), regardless of the program mode of study they enrolled in.

Please refer to the program structure. Students requiring assistance should contact the Senior Administration Officer (Student Support).
