 - risk management
 - procurement management
 - integration management
 - scope management
- apply management skills acquired through elective courses in the context of project management.

Admission requirements

To be eligible for admission, applicants must satisfy the following requirements:

- hold at least a three-year tertiary qualification at bachelor degree or equivalent level from a recognised institution in an appropriate discipline as deemed sufficient and appropriate on application
- have a minimum of two years' full-time equivalent relevant work experience as deemed sufficient and appropriate on application.

Candidates who do not have a degree will be permitted to enrol in the (Project Management), provided that they have a minimum of 3 years' full-time equivalent work experience, which includes relevant experience as deemed sufficient and appropriate on application. Upon completion and achievement of a minimum GPA of 4.0, they will be eligible to articulate into the Master of Project Management.

All students are required to satisfy the applicable [English language requirements](#).

If students do not meet the English language requirements they may apply to study a University-approved [English language program](#). On successful completion of the English language program, students may be admitted to an award program.

Program fees

Domestic full fee paying place

Domestic full fee paying places are funded entirely through the full fees paid by the student. Full fees vary depending on the courses that are taken. Students are able to calculate the fees for a particular course via the [Course Fee Finder](#).

Domestic full fee paying students may be eligible to defer their fees through a Government loan called [FEE-HELP](#) provided they meet the residency and citizenship requirements.

Australian citizens, Permanent Humanitarian Visa holders, Permanent Resident visa holders and New Zealand citizens who will be resident outside Australia for the duration of their program pay full tuition fees and are not eligible for [FEE-Help](#).

International full fee paying place

International students pay full fees. Full fees vary depending on the courses that are taken and whether they are studied on-campus, via distance education/online. Students are able to calculate the fees for a particular course via the [Course Fee Finder](#).

Program structure

The Master of Project Management has two strands: Project Management and Complex Project Management. Each is comprised of 8 single-unit courses as follows:

Strand 1: Project Management

The Project Management strand consists of:

- a choice of 4 core from 5 courses
- 1 specialisation or 4 elective courses.

MGT8072 Property Ownership Management (Formerly FIN8072).	2		
--	---	--	--

Some courses in these specialisations are only available in external mode.

Electives

Students may complete any 4 courses at 5000 or 8000 level from the Business and Commerce coursework Master programs subject to prerequisite requirements. Alternately students may choose 5000 or 8000 coursework courses from any USQ Masters program with the approval of the Faculty of Business, Education, Law and Arts.

Strand 2: Complex Project Management

The Complex Project Management strand consists of 8 specified single-unit courses.

Course	Semester of offer Distance/Online	Semester of offer Toowoomba campus	Semester of offer Springfield campus

Required time limits

Students have a maximum of 4 years to complete this program.

IT requirements

For information technology requirements, please refer to the [minimum computing standards](#) for USQ.

Other program requirements

Students must maintain good standing in this program. Please refer to the [Academic Standing, Progression and Exclusion Procedure](#).

Articulation

On completion of the Master of Project Management, students may apply for entry into the [Master of Business Administration](#) program. The number of courses to be completed to satisfy the requirements to graduate from the Master of Business Administration will depend on the courses completed in the Master of Project

Management. Students wishing to consider this option should contact the Faculty of Business, Education, Law and Arts..

It is possible for students who do not meet standard admission requirements to articulate into the Master of Project Management from the provided they have achieved a GPA of at least 4.0.

Students who wish to articulate to the higher award must lodge an application for entry to the relevant program.

Exit points

Students who do not complete the Master of Project Management, but who satisfy all the requirements of the may be permitted to exit with that qualification.

Credit

Candidates for admission to the Master of Project Management may be eligible for up to four units of credit on the basis of either:

- prior successful completion of relevant, equivalent postgraduate study from a recognised university or institution offering equivalent study; or
- accreditation from the [Australian Institute of Project Management](#) in their RegPM accreditation program, but only if accreditation is achieved at Certified Practising Project Manager (CPPM) level or higher, and only after completion of the 4 core courses for this program. Contact the Faculty of Business, Education, Law and Arts for further information. Credit granted under this provision will be for one unit of credit only and will be included in the maximum credit available for this program as indicated above.

Claims for credit should be submitted prior to or at the time of enrolment in a course. Each claim will be assessed on individual merit in line with USQ policy. Credit approved in this program will not automatically apply to other programs offered by USQ.

Note: Where credit is granted, maximum and minimum duration will be adjusted in the same proportion as credit, for example, where four units of credit is granted, maximum time will be two years and minimum duration will be one semester

Footnotes

- * It is strongly recommended that students enrol in [MGT8022](#) prior to, or at the same time as, enrolling in subsequent project management courses.
