Australian Qualifications Framework

The Australian Qualifications Framework (AQF) is a single national, comprehensive system of qualifications offered by higher education institutions (including universities), vocational education and training institutions and secondary schools. Each AQF qualification has a set of descriptors which define the type and complexity of knowledge, skills and application of knowledge and skills that a graduate who has been awarded that qualification has attained, and the typical volume of learning associated with that qualification type.

This program is at AQF Qualification Level 05. Graduates at this level will have specialised knowledge and skills for skilled/paraprofessional work and/or further learning.

The full set of levels criteria and qualification type descriptors can be found by visiting www.aqf.edu.au.

Program structure

The Diploma of Arts comprises eight units of study, generally requiring completion of eight courses, one of which is a core course. The remaining seven units of courses come from USQ course offerings. While students may choose any seven courses, it is recommended that study is chosen from three discipline areas unless students plan to complete seven units from a major study in a single discipline area. The Diploma of Arts may articulate into other USQ undergraduate degree programs. Students are advised to contact the relevant Faculty to discuss their course choices to ensure optimal articulation pathways. In particular
