A 30-hour virtual induction program, compulsory for all students regardless of location, is held prior to commencing formal studies in the first semester of enrolment. For the Semester 1 intake each year this induction program is held in February. For the Semester 2 intake each year the equivalent induction program is held in late June/early July.

Credit

There is no credit available for courses completed in the degree that formed the basis for the student's admission to the program, but students who have completed degrees or diplomas in addition to the degree that formed the basis of their admission to the program may apply for any credit that may be applicable from that source.

Students may seek credit from courses on the basis of documented prior study at University level or equivalent qualifications and experience. Such applications will be considered on their merits in relation to the extent to which the documentation supplied by the student demonstrates a clear match with the objectives of the course for which the credit is sought. A maximum of four units of credit may be allowable.

Students who have documented evidence of satisfactory work in the role of teacher (or similar) may be eligible to seek credit for some of the required days of professional experience on the basis of recognition of current competence. Such applications must be supported by formal documentation from a school principal on school letterhead. The maximum credit available in such circumstances shall not exceed 15 days.
