Program aims

The aim of this program is to produce graduates who are equipped to autonomously and creatively apply the learned knowledge and skills of editing and publishing to their professional practice at a management level. Creativity and initiative are encouraged in engaging with issues that are relevant and meaningful to student's professional practice and workplace challenges.

Program objectives

On successful completion of the Master of Editing and Publishing, students should be able to:

- (1) synthesise and apply skills and knowledge in advanced professional contexts to solve real world issues and problems.
- (2) evaluate and critically analyse a range of ideas and theories pertaining to editing and publishing.
- (3) combine ethical stance with advanced knowledge, skills and competency in the practice of editing and publishing to produce responses to particular demands of professional practice including in leadership roles.
- (4) conceive, plan, effectively communicate and execute work requiring research, scholarship, composition, interpretation and leadership.

Australian Qualifications Framework

The Australian Qualifications Framework (AQF) is a single national, comprehensive system of qualifications offered by higher education institutions (including universities), vocational education and training institutions and secondary schools. Each AQF qualification has a set of descriptors which define the type and complexity of knowledge, skills and application of knowledge and skills that a graduate who has been awarded that qualification has attained, and the typical volume of learning associated with that qualification type.

This program is at AQF Qualification Level 09. Graduates at this level will have specialised knowledge and skills for research, and/or professional practice and/or further learning.

The full set of levels criteria and qualification type descriptors can be found by visiting www.aqf.edu.au.

Admission requirements

To be eligible for admission, applicants must satisfy the following requirements:

- Completion of an Australian university three-year bachelor degree in recognised similar tertiary field or equivalent.
-
