Program aims

The Master of Project Management and Master of Business Administration encapsulates the aims of each program. The Master of Project Management aims to produce graduates who have appropriate skills and knowledge to be capable of managing small, medium and large-sized projects as either a senior team leader, a project manager or project director. The Master of Business Administration is an advanced academic program for graduates from any discipline who have considerable business experience, and who have a recognised potential for advanced managerial responsibility. This program focuses on those areas of modern management that develop judgement, skills and attitudes that are essential to managerial responsibility.

and secondary schools. Each AQF qualification has a set of descriptors which define the type and complexity of knowledge, skills and application of knowledge and skills that a graduate who has been awarded that qualification has attained, and the typical volume of learning associated with that qualification type.

This program is at AQF Qualification Level 09. Graduates at this level will have specialised knowledge and skills for research, and/or professional practice and/or further learning.

The full set of levels criteria and qualification type descriptors can be found by visiting www.aqf.edu.au.

Admission requirements

To be eligible for admission, applicants must satisfy the following requirements:

Entry into the Master of Project Management and Master of Business Administration requires a bachelor degree or equivalent (AQF level 7) in a business-related discipline from a recognised institution, and two year's full-time relevant professional work experience in business.

For candidates who have a bachelor degree or equivalent (AQF level 7) in a non-related discipline from a recognised institution, with two years' full-time relevant professional work experience in business, USQ's [Graduate Certificate of Business](#) provides an articulation pathway into the Master of Project Management and Master of Business Administration. Upon completion and achievement of a minimum GPA of 4.0, they will be eligible for entry into the Master of Project Management and Master of Business Administration.

Candidates with a graduate certificate (AQF level 8) or higher qualification in any discipline, with two years' full-time relevant professional work experience in business may apply for entry into the Master of Project Management and Master of Business Administration. Eligibility for entry will be determined on a case-by-case basis.

All students are required to satisfy the applicable [English language requirements](#).

If students do not meet the English language requirements they may apply to study a University-approved [English language program](#). On successful completion of the English language program, students may be admitted to an award program.
