Professional accreditation

The Master of Information Systems Extended program is accredited at professional level by the el37 o 0 1 62.6y0 0 1 482

- satisfy academic admission requirements for membership of relevant professional bodies
- identify, interpret and evaluate major issues in a range of contemporary business information technology areas
- apply acquired knowledge associated with the studies to work environments
- articulate the principal theories, concepts and applications associated with the selected business information technology area(s)
- understand and act in accordance with the ethics of their profession.

Admission requirements

To be eligible for admission, applicants must satisfy the following requirements:

- hold at least a two-year diploma from an Australian or other recognised university, or an approved equivalent qualification, in an area other than computing; **and** have introductory knowledge of computing consistent with that found in the CIS1000 Information Systems Concepts course, or
- have successfully completed the equivalent of a Graduate Certificate of Business (ends S3 2014) or Graduate Diploma of Business (ends S3 2014) (Information Systems) **and** have introductory knowledge of computing consistent with that found in the CIS1000 Information Systems Concepts course.

International applicants must have met the University's English language requirements or have completed the University's ELICOS/EAP programs.

Program fees

Domestic full fee paying place
Domestic full fee paying places are funded entirely through the full fees paid by the student. Full fees vary depending on the courses that are taken. Students are able to calculate the fees for a particular course via the Course Fee Finder.

Domestic full fee paying students may be eligible to defer their fees through a Government loan called FEE-HELP provided they meet the residency and citizenship requirements.

Australian citizens, Permanent Humanitarian Visa holders, Permanent Resident visa holders and New Zealand citizens who will be resident outside Australia for the duration of their program pay full tuition fees and are not eligible for FEE-Help.

International full fee paying place
International students pay full fees. Full fees vary depending on the courses that are taken and whether they are studied on-campus, via distance education/online. Students are able to calculate the fees for a particular course via the Course Fee Finder.
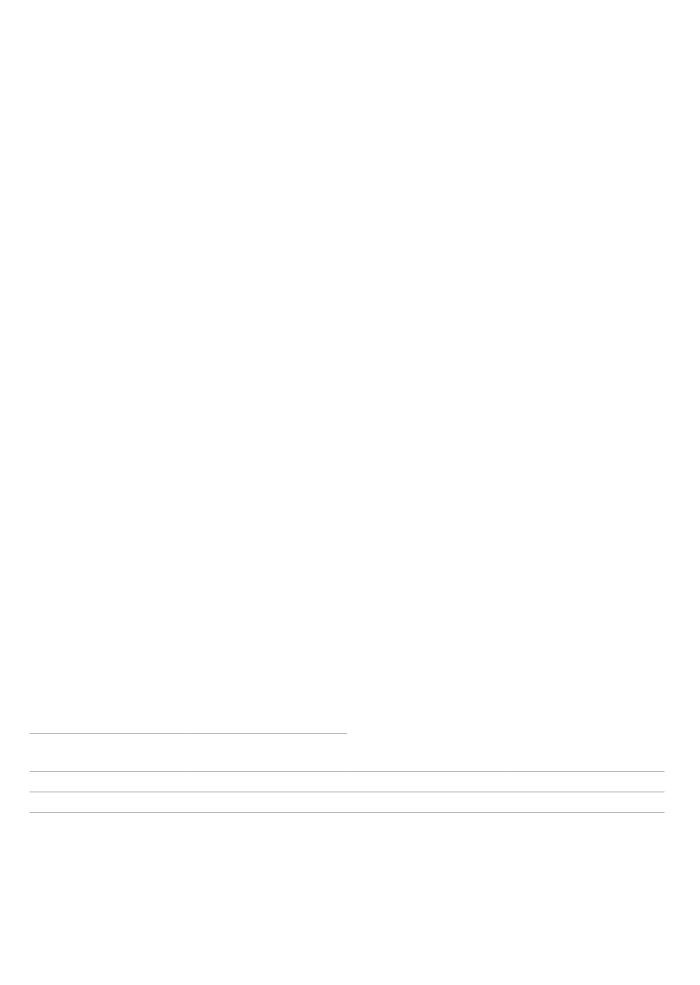

Program structure

Students enrolled in the Master of Information Systems Extended must complete 16 courses.

Students must complete one of the following three specialisations:

General Information Technology specialisation:

Exit points

A student who chooses not to complete or who does not maintain good standing in this program will be permitted to exit with a lesser qualification as set out below, provided that they have met the requirements of that program.

- A student who completes all the requirements of the A s3.5.371 684.68Mastj1S1 (A s3nformficatioSy1S1ms (ends 2(
