## Program aims

The Associate Degree of Criminology and Criminal Justice is designed to prepare graduates to undertake para-professional work in the criminal justice sector and associated agencies, and as a pathway for further learning. Graduates will be able to apply underpinning theoretical and practical knowledge in a range of relevant contexts in both the public and private sectors.

## Program objectives

At the completion of the Associate Degree of Criminology and Criminal Justice, students should be able to:

- productively transfer discipline-based competencies in criminology and criminal justice to further learning and professional contexts.
- critically evaluate multiple sources of evidence in developing their own individual viewpoint.
- clearly and coherently present ideas and logical arguments in a range of modes that are fit for purpose.
- act as responsible, ethical citizens based on respect for diversity of cultures and peoples, both locally and globally.
- apply relevant criminological theories to researching, planning and achieving effective solutions to complex criminological problems.
- participate both autonomously and collaboratively in informed debates, discuss

## Australian Qualifications Framework

The Australian Qualifications Framework (AQF) is a single national, comprehensive system of qualifications offered by higher education institutions (including universities), vocational education and training institutions and secondary schools. Each AQF qualification has a set of descriptors which define the type and complexity of knowledge, skills and application of knowledge and skills that a graduate who has been awarded that qualification has attained, and the typical volume of learning associated with that qualification type.

This program is at AQF Qualification Level 06. Graduates at this level will have broad knowledge and skills for paraprofessional/highly skilled work and/or further learning.

The full set of levels criteria and qualification type descriptors can be found by visiting [www.aqf.edu.au](http://www.aqf.edu.au).

## Program Information Set

View USQ's admission criteria, student profiles and a summary of all offers made under [Course Admission Information Set](#) via the QTAC website.

## Admission requirements

To be eligible for admission, applicants must satisfy the following requirements:

- Have achieved a minimum Australian Tertiary Admission Rank (ATAR) of **61**, or equivalent qualification.<sup>^</sup>
- English Language Proficiency requirements for Category 2.

Applicants are advised to also note the following:

- [Assumed Knowledge](#) expectations: English (Units 3 & 4, C).

All students are required to satisfy the applicable [English language requirements](#).

If students do not meet the English language requirements they may apply to study a University-approved [English language program](#). On successful completion of the English language program, students may be admitted to an award program.

<sup>^</sup> These are determined by the University for specific programs each Semester. The 2021 ATAR and tertiary entrance ranks are based on agreed QTAC schedules which assess formal study at Year 12 or [equivalent level](#), tertiary, preparatory, professional or vocational qualifications or work experience, as detailed in the QTAC Assessment of Qualifications Manual and QTAC Assessor Guidelines.

Adjustment factors may help you get into the program of your choice by increasing your entrance rank. The additional points don't apply to all applicants or all programs. Please read the information about USQ's [Adjustment Factors](#) carefully to find out what you may be eligible for.
