---

---

## Articulation

Upon successful completion of the [Graduate Diploma of Information Technology](#), students may articulate into the [Master of Computing](#) with up to a maximum of four units' credit.

## Exit points

Students enrolled in this Master's program who wish to exit without completing the program may be awarded the Graduate Diploma of Advanced Computing (GDAC) if they have completed, in accordance with the requirements of the Master of Computing, at least eight units or the Graduate Certificate of Advanced Computing (GCAC) if they have completed, in accordance with the requirements of the Master of Computing, at least four units.

## PhD program entry requirements

Students may apply to enrol in USQ's [Doctor of Philosophy](#) program upon successful completion of the Master of Computing, if they meet the entry requirements. Alternatively, students may be interested in applying for the [Doctor of Applied Science](#).

## Credit

Exemptions or credits for previous study other than those listed in the Articulation section will not be permitted in the Master of Computing except for incomplete studies.

Students seeking Skill Accreditation, or other accreditations from professional bodies such as the Australian Computer Society, should seek advice from the professional bodies before they apply for credits or exemptions.

## Recommended enrolment pattern - Semester 1 intake

Students are able to enrol in any offered mode of a course (on-campus, external or online), regardless of the program mode of study they enrolled in.

The following enrolment pattern represents possible plans and may be modified to suit individual needs. Students should plan their enrolment making sure that they have fulfilled all requirements as shown in the program structure information. Enrolment requirements must be satisfied before enrolling in a course. If unsure about a suitable enrolment pattern, students should contact the Faculty of Health, Engineering and Sciences.
