

Master of Learning and Development (MLD1) - MLearning&Dev

This program is offered only to continuing students. No new admissions will be accepted. Students who are interested in this study area should consider the [Master of Education \(Commonwealth Supported Place \(CSP\)\)](#) or [Master of Education \(Full Fee Paying \(FFP\)\)](#)

	Online
Start:	No new admissions
Fees:	Domestic full fee paying place International full fee paying place

- demonstrate the capacity to add value to, and help to sustain contemporary learning communities

An additional objective for those following the Research Pathway is to:

- integrate empirical, methodological and theoretical knowledge in ways that engage current educational issues

Admission requirements

To be eligible for admission, applicants must satisfy the following requirements:

- have completed a Bachelor degree from a recognised university.

Alternative admission

Applicants who do not meet the requirements for normal entry may apply for alternative entry if they believe that they can demonstrate that they have qualifications and/or experience that might be considered equivalent to those required for normal entry. Applicants are referred to the Australian Qualification Framework's [Recognition of Prior Learning](#) principles to assist such demonstration.

All students are required to satisfy the applicable [English language requirements](#).

If students do not meet the English language requirements they may apply to study a University-approved [English language program](#). On successful completion of the English language program, students may be admitted to an award program.

* USQ is applying for re-endorsement with the Careers Industry Council of Australia.

Research

The **Research Pathway** comprises a minimum of one research coursework unit and an individual, supervised project comprising a minimum of 2-units. Students will:

- w●

Credit

The maximum credit granted will be no more than half of the program units (four units). Within this limit, credit will be granted for relevant studies successfully completed at postgraduate level in the last five years and may be considered for studies successfully completed in the last 10 years. Students who have completed the Postgraduate Certificate programs listed in the Articulation section above, will receive full credit. Within the framework of these guidelines, the following points warrant particular consideration:

- Transfer of credit from other incomplete USQ award programs may be permitted where there is similar

The Adult, Professional and Workplace Learning

courses (EDU8701, FET5601 or EDU5713 and at least one complimentary course before undertaking any instructional placements associated with this specialisation.

Recommended enrolment pattern - Career development and Lifelong Learning

Students are able to enrol in any offered mode of a course (on-campus, external or online), regardless of the program mode of study they enrolled in.

USQ is applying for re-endorsement with the Careers Industry Council of Australia.

This specialisation will meet the growing demand from individuals working in teaching, counselling, training, employment, community development, or information management roles, who support the career planning and development of students, clients, and organisations. The Career Development and Lifelong Learning specialisation has been designed to address core and selected specialist competencies from the Professional Standards for Australian Career Development Practitioners, and it has been officially endorsed by the Careers Industry Council of Australia as a qualification for being accorded the status of professional career development practitioner under the Professional Standards. In addition, the recommended first course in the program [EDU8606 Lifelong Career Development](#) provides an entry pathway for students completing the DEEWR Australian Career Development Studies course, for which USQ is an approved Examiner.

Follow the recommended enrolment table below. Those intending to undertake doctoral studies at a later date are referred to the Research Pathway in preference to 'Complementary Coursework' courses. Coursework Pathway students may select any courses as their 'Complementary Coursework'.

*

Recommended enrolment pattern - Educational leadership

Students are able to enrol in any offered mode of a course (on-campus, external or online), regardless of the program mode of study they enrolled in.

An interpretive analysis of **Educational Leadership** explores the significance, connectedness, and inference of conceptual frameworks, relationships and systems to further our understanding of human-centred transformations. This specialisation is designed for those with leadership responsibilities in a range of organisations, units or communities with a clear educational agenda. Social and sustainable partnerships, contested relations and collaborative work are located within dynamically changing environments. Student contexts will inform these analyses to develop culturally relevant approaches for educational leadership roles.

Follow the recommended enrolment table below. Those intending to undertake doctoral studies at a later date are referred to the Research Pathway in preference to “Complementary Coursework” courses. Coursework Pathway students may select any courses as their “Complementary Coursework”.

Your program of study must include a minimum of 50% level 8 courses
