Master of Nursing (MNSG) - MN

Program aims

Clinical Education

The Clinical Education specialisation aims to prepare students to advance knowledge and skills to develop and manage clinical education programs and facilitate professional dev

All students are required to satisfy the applicable English language requirements.

If students do not meet the English language requirements they may apply to study a University-approved English language program. On successful completion of the English language program, students may be admitted to an award program.

Requirements for professional experience placements

There are no clinical requirements in this program unless candidates select an approved course that contains a clinical requirement. Courses with a clinical requirement are not available to International students.

Program fees

Commonwealth supported place

A Commonwealth supported place is where the Australian Government makes a contribution towards the cost of a students' higher education and students pay a student contribution amount, which varies depending on the courses undertaken. Students are able to calculate the fees for a particular course via the Course Fee Finder.

Commonwealth Supported students may be eligible to defer their fees through a Government loan called HECS-HELP.

Domestic full fee paying place

Domestic full fee paying places are funded entirely through the full fees paid by the student. Full fees vary depending on the courses that are taken. Students are able to calculate the fees for a particular course via the Course Fee Finder.

Domestic full fee paying students may be eligible to defer their fees through a Government loan called FEE-HELP provided they meet the residency and citizenship requirements.

Australian citizens, Permanent Humanitarian Visa holders, Permanent Resident visa holders and New Zealand citizens who will be resident outside Australia for the duration of their program pay full tuition fees and are not eligible for FEE-Help.

International full fee paying place

International students pay full fees. Full fees vary depending on the courses that are taken and whether they are studied on-campus, via distance education/online. Students are able to calculate the fees for a particular course via the Course Fee Finder.

Program structure

The program consists of 12 units comprised of:

- Four core courses (HSC8050 Research Methodology for the Human Sciences, HSC8060 Research Project Design, NUR8060 Health Policy Analysis and Review and HEA8001 Contexts of Practice); plus
- Four units from the relevant specialisation; plus
- Four units either from the specialisation or approved courses. Two of these are:

- research project courses for the Research Pathway (HSC8070 Health Masters Project A and HSC8080 Health Masters Project B); or
- courses for the Clinical Pathway (NUR8075 Research Implementation Project and approved specialisation course)

Program completion requirements

To qualify for the award of Master of Nursing, a candidate must complete or be exempted from courses with a total value of twelve units, subject to the following.

Of the units counted to qualify for the award:

(1) at least six units shall be for courses completed at USQ

© University of Southern Queensland

(2) Twelve units shall be for postgraduate (Level 5 or 8) courses, to be completed according to the compulsory courses listed for each specialisation and electives approved by the Program Director.

All courses listed under each specialisation must be successfully completed or exempted to successfully graduate with Master of Nursing.

Required time limits

Students have a maximum of 5 years to complete this program.
