### Program aims

The program aims to produce graduates who meet the aims and objectives of both the [Bachelor of Arts](#) and the degree programs.

### Admission requirements

To be eligible for admission, applicants must satisfy the following requirements:

Applicants for admission to the Bachelor of Arts and Bachelor of Science must satisfy the requirements for admission to the [Bachelor of Arts](#) and the .

All students are required to satisfy the applicable [English language requirements](#).

If students do not meet the English language requirements they may apply to study a University-approved [English language program](#). On successful completion of the English language program, students may be admitted to an award program.

### Program fees

#### Commonwealth supported place

A Commonwealth supported place is where the Australian Government makes a contribution towards the cost of a students' higher education and students pay a [student contribution amount](#), which varies depending on the courses undertaken. Students are able to calculate the fees for a particular course via the [Course Fee Schedules](#).

Commonwealth Supported students may be eligible to defer their fees through a Government loan called [HECS-HELP](#).

### Domestic full fee paying place

Domestic full fee paying places are funded entirely through the full fees paid by the student. Full fees vary depending on the courses that are taken. Students are able to calculate the fees for a particular course via the [Course Fee Schedule](#)

Domestic full fee paying students may be eligible to defer their fees through a Government loan called [FEE-HELP](#) provided they meet the residency and citizenship requirements.

Australian citizens, Permanent Humanitarian Visa holders, Permanent Resident visa holders and New Zealand citizens who will be resident outside Australia for the duration of their program pay full tuition fees and are not eligible for [FEE-Help](#).

### International full fee paying place

International students pay full fees. Full fees vary depending on the courses that are taken and whether they are studied on-campus, via distance education/online. Students are able to calculate the fees for a particular course via the [Course Fee Schedules](#).

### Program structure

The program comprises 32 units as follows:

Core courses	4 units
Arts courses	14 units (two 7–unit majors)
Science courses	14 units (one 8–unit major plus 4 units from Sciences courses) plus 2 units of electives

**Note:** Entry into the Visual Arts Practice major is subject to an interview and submission of an acceptable folio during Orientation week.

This structure is set out in the following table:

Another approved Arts core course [Bachelor of Arts](#)\*\*

#### Footnotes

\* Students majoring in Biology must take [CMS1100 Communicating in the Sciences](#).

\*\* Students majoring in Psychology major must take [PSY1030](#) as their fourth core course.

## Major studies

### Arts Studies

The Arts component shall comprise:

- at least one seven-unit discipline based major from the majors available under the [Bachelor of Arts at USQ](#)
- another seven-unit discipline based major from the Bachelor of Arts.

(At least two units from each major must be at third year level)

### Science Studies

The Science component shall comprise:

Either

- an eight-unit discipline based major chosen from the majors under the (i.e. Biology, Computing, Mathematics<sup>##</sup>, Physical Sciences, Environment and Sustainability)
  - a four-unit study selected from one Science discipline . This four-unit study may or may not be in the same discipline as in the eight-unit Science major
- Or**
- a twelve-unit discipline based major chosen from the majors under the i.e. Psychology<sup>\*</sup> Information Technology or Mathematics and Statistics<sup>^</sup> **AND**
  - a further two approved Science elective units which may either extend the studies already selected or may be in additional Science discipline areas.

# The Mathematics major requires students to have achieved a level of Sound Achievement over four semesters in Queensland Senior (Year 12) Mathematics B or equivalent.

The 12 unit major in Psychology is an Australian Psychology Accreditation Council accredited sequence in Psychology and students undertaking this major are eligible to apply to undertak

Consult the Handbook on the Web at <https://www.unisq.edu.au/handbook/current> for any updates that may occur during the year.  
(DISCONTINUED) Bachelor of Arts and Bachelor of Science (BABS) - BA BSc (2022)

- The Science major is usually started in Semester 1 of first year and continued in Semester 2 of first year. The Science minor study is usually started in second year subject to timetabling constraints.
- Elective courses are usually taken in third or fourth years unless required as pre-requisites.
