Professional accreditation

Accounting major graduates will meet the educational entrance requirements of [CPA Australia](#) and [Chartered Accountants Australia and New Zealand \(CAANZ\)](#). This provides Associate membership of CPA Australia, eligibility to study the CPA Australia professional exams and eligibility to study the CAANZ professional exams.

The Accounting major is accredited by the [Chartered Institute of Management Accountants \(CIMA\)](#) and the [Association of International Accountants \(AIA\)](#).

Successful completion of the Accounting major can qualify students for exemptions from the Fundamental level (9 papers) of the [Association of Chartered Certified Accountants \(ACCA\)](#) exams.

The Counselling major will contribute towards [Psychotherapy and Counselling Federation of Australia \(PACFA\)](#) eligibility: if students attend the voluntary residential schools within the Bachelor of Science Counselling major, their attendance will be recorded so their attendance will meet a proportion of the required number of hours of face-to-face instruction/tuition for eligibility to join a PACF

Finance major graduates will meet the educational entrance requirements to become a member of the [Financial Services Institute of Australasia \(FINSIA\)](#).

The Marketing major is accredited by the [Australian Marketing Institute \(AMI\)](#), and students are eligible for credit towards becoming a [Certified Practising Marketer \(CPM\)](#) upon completion.

The Psychology major is fully accredited by the [Australian Psychology Accreditation Council](#).

Program aims

Bachelor of Business

The Bachelor of Business is a professionally-oriented degree program. The aim of the program is to produce graduates who are equipped to identify, describe, analyse and resolve business problems in both the public and private sectors. Successful completion of the program will equip graduates with the skills and knowledge required to undertake employment in relevant professions.

Bachelor of Science

The Bachelor of Science is an undergraduate qualification consisting of 24 units, taught in English, which normally takes three years of full-time study or part-time equivalent. The program structure requires successful completion of a twelve or eight unit major in a chosen discipline, four units of foundation study courses and either a second major or elective courses. The Bachelor of Science is located at Level 7 of the Australian Qualifications Framework.

Program objectives

On successful completion of the Bachelor of Business and Bachelor of Science double degree, graduates need to meet the program objectives of both disciplines.

Bachelor of Business

- synthesise business knowledge, disciplinary concepts, theories, principles and processes
- think critically, constructively and logically about business-related issues, problems and theoretical debates
- communicate clearly and concisely in presenting relevant knowledge and ideas to a range of audiences
- apply business-related knowledge and technical skills to resolve problems and make ethical decisions across a range of institutional, national and global contexts
- use initiative, creativity and judgement to plan and implement professional projects
- work autonomously and collaboratively as part of ongoing learning and professional practice.

Bachelor of Science

- exhibit a broad and coherent knowledge base, with a level of depth in one or more science disciplines, suitable to undertake professional work and/or further study
- apply a range of cognitive and technical skills which reflect the underlying principles of one or more science disciplines
- display well developed cognitive, technical and communication skills to select and apply relevant methods and technologies and present information to a range of audiences
- critically analyse, consolidate and evaluate information to construct and implement solutions to unpredictable and complex problems

of knowledge, skills and application of knowledge and skills that a graduate who has been awarded that qualification has attained, and the typical volume of learning associated with that qualification type.

This program is at AQF Qualification Level 07. Graduates at this level will have broad and coherent knowledge and skills for professional work and/or further learning.

The full set of lev

Australian citizens, Permanent Humanitarian Visa holders, Permanent Resident visa holders and New Zealand citizens who will be resident outside Australia for the duration of their program pay full tuition fees and are not eligible for [FEE-Help](#).
