## **Australian Qualifications Framework**

The Australian Qualifications Framework (AQF) is a single national, comprehensive system of qualifications offered by higher education institutions (including universities), vocational education and training institutions and secondary schools. Each AQF qualification has a set of descriptors which define the type and complexity of knowledge, skills and application of knowledge and skills that a graduate who has been awarded that qualification has attained, and the typical volume of learning associated with that qualification type.

This program is at AQF Qualification Level 08. Graduates at this level will have advanced knowledge and

**International full fee paying place**

International students pay full fees. Full fees vary depending on the courses that are taken and whether they are studied on-campus, via distance education/online. Students are able to calculate the fees for a particular course via the [Course Fee Schedules](#).

**Program structure**

The Bachelor of Health (Honours) consists of eight units made up of five core courses and one approved course.

**Core courses:**

- [SCI4405 Research Practice and Ethics](#)
- [SCI4407 Complementary Studies A](#)
- [SCI4408 Complementary Studies B](#)
- [HSW4100 Health: Project A](#)
- [HSW4200 Health: Project B](#)

**Approved course:**

- choose one from the list of approved courses below.

The project courses provide students with the opportunity to conduct a minor research course opportunity to conduct

A series of seven horizontal lines for writing, spanning the width of the page. The lines are evenly spaced and extend from the left margin to the right edge of the page.

**Semester 1 entry - part-time recommended enrolment pattern**

Students are able to enrol in any offered mode of a course (on-campus, external or online), regardless of the program mode of study they enrolled in.
